SUBJECT: Executive Summary - Occupational Therapy Assistant and Physical Therapist
Assistant Clinical Site Availability

Enclosed is a copy of the Executive Summary - Occupational Therapy Assistant and Physical Therapist Assistant Clinical Site Availability. In March 1997 the North Carolina Community College System Office commissioned a Registered Occupational Therapist and a Licensed Physical Therapist to survey and evaluate the current clinical site availability for Occupational Therapy Assistant and Physical Therapist Assistant programs in the System. The Executive Summary is a compilation of the results of that survey. This information will be presented to the Program Committee of the Presidents' Association at its January meeting.

If you would like a copy of the full report, please contact Julie Burnham, Senior Coordinator for Health Sciences, at 919-733-7051, extension 431.
