Subject: 1998-99 DIRECTORY of Proprietary Business, Technical, Trade and
 Correspondence Schools

As part of our continuing effort to enhance communication, I am enclosing a copy of the Proprietary School Licensing and Services Office's directory of schools licensed by the North Carolina State Board of Community Colleges.

The directory provides general information about the licensing process and brief program descriptions. I encourage you to share this information. Please contact individual institutions to learn more about programs, admission requirements, tuition, fees, and other services. If you have additional questions about the licensing process, please contact M. Carolyn Girardeau at (919) 733-7051.
