MEMORANDUM

TO: Deans of Students  
Counselors

FROM: William R. Strickland  
Director, Student Development Services

SUBJECT: CAREER DEVELOPMENT WORKSHOPS

Attached is information regarding upcoming career development workshops being coordinated by SOICC. In addition to the annual regional two-day Improved Career Decision Making (ICDM) workshops, there are six other opportunities for professional development of career counseling educators.

Please make this information available to all of your staff members responsible for career development activities. Your encouragement of their attendance will also be appreciated.

Any questions regarding logistics of the workshops, as well as registrations, should be directed to the SOICC office at 919-733-6700.

Thanks for your cooperation.
