MEMORANDUM

TO: Presidents

FROM: Brenda H. Rogers  
Vice President for Administration

SUBJECT: NCIH Regional Meetings

In case you did not receive the information directly, I am sending you a copy of the letter from Jim Broadwell, Director of State Telecommunications Services, and the list of the North Carolina Information Highway (NCIH) regional meetings. I encourage those colleges currently on the NCIH, as well as those that are planning to connect in the next year or two, to have one or more representatives attend. The migration of the NCIH sites to H.320 international standard is a major concern, and we need to understand the issues and the time frame.
