SUBJECT: Requested Revisions in Common Course Library Courses

The System Office has received a revised request from the North Carolina Mathematical Association of Two-Year Colleges (AMATYC) to change the descriptions of the following courses contained in the Common Course Library:

MAT 121 Algebra and Trigonometry I  
MAT 122 Algebra and Trigonometry II

The AMATYC has also requested that several math labs be incorporated into their corresponding math classes to create one class.

Attached are copies of the proposed changes, and a review form for your approval or disapproval. ***Please complete and return the approval/disapproval form by Friday, July 24, 1998, to Jennifer Frazelle.*** You may fax your response. Once the responses have been received at the System Office, the requests will be presented to the Curriculum Peer Review Team (CPRT) for its recommendation.

Thank you for your prompt attention to this matter. If you have questions or need assistance, please contact Jennifer Frazelle at 919-733-7051, extension 435.
