MEMORANDUM

TO: Presidents

FROM: H. Martin Lancaster

SUBJECT: Cosmetology Curriculum Standard Revision

I am delighted to inform you that on July 17, 1998, the State Board approved a revision to the A55140 Cosmetology standard effective Fall semester 1998. The revision will allow colleges to offer a certificate for the 1200 hours mandated by the State Board of Cosmetic Arts; and, will allow students to finish their course work and work under a licensed cosmetologist for the remaining 300 contact hours to sit for the State Board of Cosmetic Arts licensing test. The revised standard is attached.

We wish you continued success with this program.
