

MEMORANDUM

DATE: July 13, 1999
TO: Presidents, Instructional Administrators, Continuing Education Deans
FROM: Brenda Rogers
SUBJECT: System Office Personnel Changes

I am pleased to announce that Allen McNeely has joined our staff as an Education Program Auditor, filling the position vacated by Phil Marion's recent retirement. Allen was formerly the associate director of the Office of Proprietary Schools, here at the System Office. He will be assigned primarily to the central region and will be based in Raleigh.

As you know, Bill Cole retired as Director of Program Audits on April 30. Todd Parker is currently serving as the Interim Director. Todd has been in the community college system since 1970 and has been with the System Office as a program auditor since 1985. He can be reached at either (910) 675-1439 or (910) 259-4966. We hope to have a permanent replacement for Dr. Cole in the near future.

In order to improve communications, I would like to request that whenever possible, college personnel initially address their audit questions to the auditor assigned to their college. The auditors check their e-mail daily and that is probably the best way to contact them. I am attaching a directory of the education program audit staff which includes addresses and phone numbers as well as a list of the primary auditor contact for each college.

Thank you for your cooperation during this time of transition. Please feel free to call me if you have questions.
