SUBJECT: ESL Program Review

Enclosed is a revised copy of the 1999 status report for ESL programs. Please note that the statistical source for student enrollment is the 1997-98 LEIS report. Other statistics were self-reported by survey respondents.

Another ESL report is being planned for publication early in 2000. If there are additional areas that you would like to see included, please let me know.

Thank you for your help with this first edition.
