Subject: Blockade Runner Hotel

Although Hurricane Floyd caused substantial damage to the eastern part of North Carolina, the Blockade Runner Beach Resort and Conference Center **did not** receive any damage. They have been open and in full operation since Monday. For those of you traveling by car to Wrightsville Beach, Interstate 40 may not be open completely to Wilmington; however, the N.C. Department of Transportation will have detour signs for you to follow to the beach.

We are excited about this year's conference and look forward to seeing all of you at Wrightsville Beach. If you have any questions or concerns, please feel free to contact either me or Kim Wiggs Gamlin at 919/733-7051.
