Re: National Council of State Directors of Community Colleges
Annual Meeting

The North Carolina Community College System and I are honored and excited that we will host the annual meeting of the National Council of State Directors of Community Colleges at Atlantic Beach, North Carolina, August 6-9, 2000. We hope that you will participate in some or all of the events.

The formal program will begin with a welcome reception on Sunday evening, August 6, featuring North Carolina seafood and community college entertainment at the Sheraton Atlantic Beach from 6pm to 8pm. You and your spouse are invited.

On Monday morning, Dr. Robert McCabe, Senior Fellow of the League for Innovation in the Community College, will present the results of his study on the outcomes of students who have been enrolled in remedial education programs. A lively discussion will follow.

On Tuesday morning Dr. Mark D. Milliron, the new Executive Director of the League for Innovation, will be our speaker. We will all be interested in his vision for the future of the League and know that a stimulating discussion will follow his remarks. Following lunch we will travel to New Bern to visit Craven Community College and to participate in a panel discussion of cooperation between community colleges and universities.
