Subject: Program Name Change

The Human Resources Development (HRD) Program will be pursuing a name change. This issue has been discussed with the HRD State Advisory Board, System Office Leadership Staff, and the President's Association and there appears to be a general agreement that a name change would be advantageous.

We know that many of you feel a sense of ownership for the name HRD; it's been our name for close to 30 years. Therefore, we are approaching this issue with great thought and we are really looking for your input.

To start, we would like to form a committee of both state and local Community College staff to guide this process. Simultaneously, we will be working to determine the State Board and/or legislative process for such a change.

If you would like to be a part of this committee, please call Barbara Boyce or Scott Ralls at (919) 733-7051 by October 6, 2000.
