

NORTH CAROLINA COMMUNITY COLLEGE SYSTEM
H. Martin Lancaster, President

MEMORANDUM

DATE: January 3, 2001
TO: Presidents
FROM: Lin Frye, Associate Director, Resource Development
North Carolina Community College System
SUBJECT: Resource Development Survey

Attached please find the results of the Resource Development Survey distributed or sent to all North Carolina community college presidents. Fifty-two of fifty-nine surveys were returned for a rate of 88 percent.

Please note that the shaded areas of the survey represent the top three priorities identified by community college presidents.

We thank you for your input and support. The information represented by this survey will be used to guide and continue the initiatives of the North Carolina Community College System Resource Development office. If you have any questions, comments or suggestions please feel free to call us at 919-733-7051, ext. 448. We are looking forward to working with you in 2001!
