**SUBJECT:** Vehicle Emissions Inspection Certification Test 2002-01

Beginning Monday, February 11, 2002, Test 2002-01 will be given to all students that complete the Vehicle Emissions Inspection Certification Class. Tests will be revised throughout the year and mailed to safety and emissions inspection certification coordinators.

Coordinators are responsible for distributing copies of the revised tests to all instructors who teach safety inspection certification classes at their college. **The tests are considered a controlled item and should be kept in a locked file/safe at all times except when being used for testing.** All tests that are given to students during a class need to be collected before a student leaves the classroom. A Test Receipt Form will be sent to each coordinator as an e-mail attachment. Please complete the Receipt Form and return it by **Friday, February 8, 2002**.
