- The purpose of College Redirection is to make available every possible avenue for a student to pursue postsecondary education in North Carolina. It was established primarily to assist students who have been denied admission from the institution of their choice and are seeking opportunities to pursue Higher Education in the fall. The student will initiate their participation in college redirection via [www.CFNC.org](http://www.CFNC.org) for prospecting by institutions that have open seats of enrollment for the fall term.
