MEMORANDUM

TO: Basic Skills Directors
Chief GED Examiners

FROM: Lou Ann M. Parker, State GED Administrator

SUBJECT: 2006 GED Scanning and Scoring

Beginning January 9, 2006, please do not scan any 2005 GED test answer sheets to the System Office. The new 2006 scoring keys have been loaded into the system. You can begin scanning and FTP'ing the data to the System Office on January 9, 2006. The English Essays as well as the entire Spanish and French Tests must be sent to the University of Texas for scoring. If you have 2005 tests to be scanned, please contact Joy Matthews.

The sixth GED Test, English as a Second Language, scoring keys have been loaded as well. You can also scan and FTP the ESL GED test data to the System Office starting January 9, 2006. Please scan the ESL test before the last GED test so that a diploma will automatically print. If the ESL test is scored last, a diploma will have to be requested.
