SUBJECT: Nurse Aide I Competency Evaluation – New Tests

The Division of Facility Services (DFS) has cited one of our community colleges for a breach in test security with two of the three official tests used for the Nurse Aide I Competency Evaluation. Effective immediately, all colleges should stop using Version 1 and Version 3. Until you receive a disk with new tests, colleges are now only authorized to use Version 2 for testing purposes.

Additionally, DFS has requested that we ask the colleges to keep one printed copy of each of the compromised tests, destroy their remaining copies, and return the disk to the name and address below:
