Subject: Request from General Assembly for Information on  
Global Education Initiatives at the Community Colleges

Members of the General Assembly have asked for updated information on what is being done at the community colleges to enhance the global education of our students. Dr. Delores Parker is to give a report on February 7, 2006 and would like to have input from each college on what you are doing and what you should be doing to further enhance the exposure of our students to global issues.

We are requesting that you complete the attached worksheet and return it to our office by February 3, 2006, so that we may compile the data into Dr. Parker's report. Please return the attached worksheet via e-mail to Pauline Kury at [kurryp@nccommunitycolleges.edu](mailto:kurryp@nccommunitycolleges.edu) as soon as possible.

As always, we appreciate your efforts to respond to this request in a timely manner.
