SUBJECT: NO MEMO CC06-044, 2006 State Residency Workshop

We are writing to provide you information on the workshop on residency classification issues to be held on March 31, 2006, at the NCSU McKimmon Center in Raleigh. The workshop will include a basic overview of legal residency classification standards and practical applications of those standards. A brief agenda for the workshop is attached for your information.

Registration materials for the workshop have been forwarded to the Vice President/Dean of Student Services at each college for distribution. If you are interested in attending, please contact your Vice President/Dean of Student Services as soon as possible as they have been asked to coordinate registrations. Registration forms must be received in Chapel Hill no later than March 10, 2005, and due to space limitations of the McKimmon Center, each college will be limited to two participants.

We hope to see you at the State Residency Classification Workshop. The workshop should be helpful to all who deal with the many questions imbedded in residency classification.
