Re: Community College Laws of
North Carolina (2005 edition)

On behalf of the State Board of Community Colleges, I am pleased to provide you thirty copies of the 2005 Edition of *Community College Laws of North Carolina*. Please share this publication with your trustees and with others as you see fit.

The statutes and annotations contained in this publication reflect changes to our laws through the 2005 legislative session. In addition to the statutes you expect to find, we have added the Open Meetings Law to this edition. As you know, the Open Meetings Law is important as it requires the meetings of boards of trustees to be open to the public, unless specific and narrow exceptions apply.

Please feel free to contact me if you have questions or concerns. I can be reached at 919-807-6961.
