

NORTH CAROLINA COMMUNITY COLLEGE SYSTEM
H. Martin Lancaster, President

April 24, 2006

TO: Presidents
Chief Academic Officers
Curriculum Review Committee

FROM: Delores A. Parker, Vice President
Academic and Student Services

SUBJECT: Curriculum Review Committee Spring 2006 Meeting

The Curriculum Review Committee (CRC) has the responsibility for maintaining and maximizing use of the Common Course Library (CCL). The committee has the authority for approving changes to the CCL and it meets in the spring and fall to review requests that have been submitted by the colleges. The Spring 2006 meeting was held on March 22.

The approved changes to the CCL are provided for your information. See the Attachment.

The State Board of Community Colleges has delegated authority to the Vice President of Academic and Student Services for approval of curriculum standard changes involving only core course changes resulting from the CRC actions. The standards listed below reflect these actions.

The CRC also confirmed the classification of elementary foreign language as a secondary humanities; therefore, future programs of study filed with the System Office containing an elementary foreign language as a possible sole humanities selection will be disapproved. The elementary foreign languages include any foreign language prefix with the number 110, 111, or 112. American Sign Language (ASL) is included in this series.

You may view and print the Common Course Library by visiting the Program Services website at <http://www.nccommunitycolleges.edu/Programs/index.html> and follow the link to the Common Course Library. Submission dates, forms, and procedures for submitting requests to the CRC are also located at the above website.
