MEMORANDUM

TO: Financial Aid Directors

FROM: Monty K. Hickman, Associate Director
Student Development Services

SUBJECT: **Financial Aid Regional Meetings**

The North Carolina Community College Financial Aid Review Team has begun scheduling spring semester regional financial aid meetings which will take place during the months of March and April. We encourage each financial aid office to send a representative to these meetings. Topics of discussion will include Datatel training, staffing, federal aid processing training, resources, etc. It is important that you plan to attend your regional meeting, or one that is nearby, to insure that your concerns are represented.

The Financial Aid Review Team was developed to assist with Datatel training needs and to address and resolve other concerns that are experienced by financial aid offices within the community college system. I have attached, for your information, the dates of all scheduled regional financial aid meetings to be held thus far. We will notify you as soon as additional dates have been scheduled.

Specific details regarding registration, meeting agenda, and directions will be forwarded to you by the regional facilitators prior to the meetings. Should you have questions regarding the meeting dates, please contact your regional facilitator.
