MEMORANDUM

TO: Selected Presidents

FROM: H. Martin Lancaster, President

SUBJECT: New Curriculum Standard for Esthetics

I am pleased to inform you that on February 19, 1999, the State Board of Community Colleges approved a new curriculum standard for Esthetics Technology (C55230) effective Summer 1999. The new standard is due to changes in the Board of Cosmetic Art rules requiring the licensing of Estheticians. The revised standard is enclosed.

All colleges approved to offer Cosmetology will be automatically approved to offer the new program. **The college will be required to submit an electronic program of study for the new standard.**

If you have questions concerning the new standard, please call Mike Pittman at (919) 733-7051, extension 403 or E-mail at pittmanm@ncccs.cc.nc.us.
