RESPONSE DEADLINE: SEPTEMBER 22, 1999

MEMORANDUM

TO: Select Presidents

FROM: Elizabeth I. Jones, Director
Program Services

SUBJECT: Requested Course Changes - Captive/Co-opted Impact
MAS P110 - Masonry I
MAS P120 - Masonry II

We have received a request to make changes to MAS P110 - Masonry I and MAS P120 - Masonry II. The Curriculum Review Committee has asked that we survey colleges to determine the impact, if any, this change will have on programs delivered to Captive/Co-opted students. The requested changes are as follows:

MAS P110 - Masonry I and MAS P120 - Masonry II
Change the hours from "4-18-10" to "5-15-10"

The rationale for revising the current Common Course Library courses is the same for both courses listed. The Construction Occupational Programs for Articulation (C.O.P.A.) project has sponsored curriculum development activities with a representative sample of community college masonry instructors. This change is requested in order to make the course better fit their needs and the needs of their students.

Indicate on the enclosed form whether your college agrees or disagrees with the proposed changes. **Please fax the form to Sharon Thompson at 919/733-0680 by September 22, 1999.** Failure to respond within the deadline will be construed as concurrence with the proposed change to the above listed courses.

If you have any questions regarding the above requests, please contact Sharon Thompson, Program Coordinator, at 919/733-7051, extension 428. Thank you for your prompt attention to this matter.
