MEMORANDUM

To: Select Financial Aid Directors
Select Business Officers

From: Karen Yerby
Associate Director for Student Development Services

Subject: Golden LEAF Scholars Program

We are in the final stages for the disbursement of the Golden LEAF Scholars Program awards for the 2003 Spring Semester. Please be aware that the method of disbursement to the students for the Golden LEAF Scholars Program has been changed. The System Office will NOT send award checks directly to the students. Instead, each college will receive funds for the full amount awarded to their students and the college will have the responsibility for distributing individual checks to their students. Rosters of selected students will be sent to each college and will include the student's name, social security number and amount to be disbursed. I apologize for any confusion this may have caused.

Golden LEAF has reprioritized its requirements for selecting eligible counties. The new list of eligible counties (attached) will be used for future Golden LEAF projects, including 2003 fall semester for the Golden LEAF Scholars Program (subject to availability of funds).

Please contact me with any questions regarding the Golden LEAF Scholars Program.
