MEMORANDUM

TO: Select Presidents

FROM: H. Martin Lancaster

SUBJECT: Funding for Academic Services to Nursing Students from
Disadvantaged Backgrounds

I am pleased to inform you that on October 20, 2006, the State Board of Community Colleges approved the 2006-2007 Disadvantaged Nursing funds as allotted on the attached sheet. These funds must be expended by June 30, 2007, according to your approved proposal.

Of the fifty-six eligible programs, thirty-seven colleges responded with requests for funding for 2006-2007. Two colleges included unallowable items and received allotments equaling allowable costs only, and one college submitted the proposal after the date required and received less funding. Because the total allotment for all colleges was less than \$80,000, all colleges received an additional allotment of \$246. An accompanying allocation table that shows the total dollar amount requested, amount allocated, and the funding purpose for the 2006-2007 academic year is attached.

We wish you much success in the utilization of these funds for providing direct academic assistance to students who might be in danger of not completing their course of study. If you have any questions, please contact Kim Jernigan at (919) 807-7118 or jernigank@nccommunitycolleges.edu.
