SUBJECT: Student Success Activity (SSA) Grant Application

Congratulations!

The Student Success Activity Grant Committee met and reviewed your proposal. Your proposal was approved for the amount identified in the attachment. The Basic Skills Advisory Board has reviewed our process and recommended the applications be submitted to the State Board of Community Colleges for funding.

I will be submitting a final request for approval to the State Board of Community Colleges. Please contact me before December 3, 2007, by phone, to discuss and confirm your funding amount. Funding adjustments will be considered; however, additional documentation of correct and final cost figures is needed. If I do not hear from you, I will take your request off the list and proceed with the programs who have confirmed these activities.

Due to the large number of requests and revisions, I need your personal follow-up to meet our approval process in December. Please confirm your budget items and schedule before we talk to ensure a successful grant. I look forward to finalizing your proposal. Call me at (919) 807-7144.
