

# CURRICULUM STANDARD

Effective Term  
Fall 2004  
[2004\*03]

Curriculum Program Title Cardiovascular/Vascular Interventional Technology (Diploma) Code D45140  
Concentration (not applicable)

## *Curriculum Description*

This curriculum is designed to prepare individuals to use specialized equipment to visualize structures and to assist physicians in diagnostic and interventional procedures. *Individuals entering this curriculum must be registered or registry eligible radiographers by the ARRT.*

Students will utilize academic and clinical studies to be prepared to provide quality patient care and communication skills while performing angiographic studies. Students will demonstrate sterile technique, advanced radiographic procedures, radiation protection techniques and use of specialty equipment.

Graduates are eligible to apply to sit for the American Registry of Radiologic Technologists Cardiac Interventional Technology and/or the Vascular Interventional Technology examination. Graduates may be employed in medical facilities where vascular, cardiovascular, and/or interventional imaging procedures are performed.

## *Curriculum Requirements\**

- I. General Education.** Degree programs must contain a minimum of 15 semester hours including at least one course from each of the following areas: humanities/fine arts, social/behavioral sciences, and natural sciences/mathematics. Degree programs must contain a minimum of 6 semester hours of communications. Diploma programs must contain a minimum of 6 semester hours of general education; 3 semester hours must be in communications. General education is optional in certificate programs.
- II. Major Hours.** AAS, diploma, and certificate programs must include courses which offer specific job knowledge and skills. Work experience, including cooperative education, practicums, and internships, may be included in associate in applied science degrees up to a maximum of 8 semester hours of credit; in diploma programs up to a maximum of 4 semester hours of credit; and in certificate programs up to a maximum of 2 semester hours of credit. *(See second page for additional information.)*
- III. Other Required Hours.** A college may include courses to meet graduation or local employer requirements in a certificate, diploma, or associate in applied science program. These curriculum courses shall be selected from the Combined Course Library and must be approved by the System Office prior to implementation. Restricted, unique, or free elective courses may not be included as other required hours.

	AAS	Diploma	Certificate
Minimum General Education Hours	15	6	0
Minimum Major Hours	49	30	12
Other Required Hours	0-7	0-4	0-1
<b>Total Semester Hours Credit in Program</b>	<b>64-76</b>	<b>36-48</b>	<b>12-18</b>

*\*Within the degree program, the institution shall include opportunities for the achievement of competence in reading, writing, oral communication, fundamental mathematical skills, and basic use of computers.*

## *Major Hours*

- A. Core.** The subject/course core is comprised of subject areas and/or specific courses which are required for each curriculum program. A diploma program offered under an approved AAS program standard or a certificate which is the highest credential level awarded under an approved AAS program standard must include a minimum of 12 semester hours credit derived from the subject/course core of the AAS program.
- B. Concentration** (*if applicable*). A concentration of study must include a minimum of 12 semester hours credit from required subjects and/or courses. The majority of the course credit hours are unique to the concentration. The required subjects and/or courses that make up the concentration of study are in addition to the required subject/course core.
- C. Other Major Hours.** Other major hours must be selected from prefixes listed on the curriculum standard. A maximum of 9 semester hours of credit may be selected from any prefix listed, with the exception of prefixes listed in the core or concentration. Work experience, including cooperative education, practicums, and internships, may be included in associate in applied science degrees up to a maximum of 8 semester hours of credit; in diploma programs up to a maximum of 4 semester hours of credit; and in certificate programs up to a maximum of 2 semester hours of credit.

### **Cardiovascular/Vascular Interventional Technology (Diploma) D45140**

	<b>AAS</b>	<b>Diploma</b>	<b>Certificate</b>
<b>Minimum Major Hours Required</b>	<b>49 SHC</b>	<b>30 SHC</b>	<b>12 SHC</b>
<b>A. CORE</b>		<b>31 SHC</b>	
<b>Required Courses:</b> CIT 211 Patient Care 2 SHC CIT 212 Cardiac Equip & Supplies 2 SHC CIT 213 Radiographic Pharmacology 1 SHC CIT 214 Cardiac Procedures 3 SHC CIT 215 Vascular Equip & Supplies 2 SHC CIT 217 Vascular Procedures 3 SHC CIT 230 Cardiac Interven Clinical 9 SHC CIT 235 Vascular Interven Clinical 9 SHC			
<b>B. CONCENTRATION</b> ( <i>Not applicable</i> )			
<b>C. OTHER MAJOR HOURS</b> <i>To be selected from the following prefixes:</i>  CIS, and CIT  <i>Foreign language courses (including ASL) that are not designated as approved other major hours may be included in all programs up to a maximum of 3 semester hours of credit.</i>
