

# Data Trends and Briefings

February 10, 2010

North Carolina Community College System  
Office of the President

## Comparison of Student Success Outcomes by Gender and by College

### Methodology

- Curriculum student records from CRPFAR (Curriculum Registration, Progress, and Financial Aid Report) data files for Fall 2002, Fall 2004, and Fall 2006 (Transitional students were excluded from the cohorts.)
- Utilized Achieving the Dream, Student Success Framework: 1, 2, and 3<sup>rd</sup> year intermediate milestones for Fall '02, '04, and '06 cohort; 6<sup>th</sup> year final outcomes for Fall '02 cohort

### Student Success Measures

1. First-Year Intermediate Milestones
  - Persisted fall to spring
  - First-year credit milestone: Earned 24 or more credit hours for full-time students/ earned 18 or more credit hours for part-time students.
2. Second-Year Intermediate Milestones
  - Persisted fall to fall
  - Enrolled in developmental education math courses by year 2 (Associate degree-seeking students only)
  - Passed developmental education math courses by year 2 (Associate degree-seeking students only) — course letter grade D or better
  - Achieved the two year credit hour milestone — earned 42 or more credit hours for full-time students / earned 24 or more credit hours for part-time students
3. Third-Year Intermediate Milestones
  - Passed gatekeeper English or higher by year 3 — ENG 111 (Expository Writing) or higher
  - Passed gatekeeper math or higher by year 3 — MAT 151 (Statistics I), MAT 161 (College Algebra), and MAT 171 (Pre-calculus Algebra) or higher: College transfer students only
4. Six-Year Student Success Outcomes
  - Earned award w/o transfer
  - Transfer w/o award
  - Still enrolled w/ 30+ hours

#### 1. First-Year Intermediate Milestones

**Table 1. Persisted fall to spring by gender and by college**

| College     | Fall '02<br>Female | Fall '02<br>Male | Fall '04<br>Female | Fall '04<br>Male | Fall '06<br>Female | Fall '06<br>Male |
|-------------|--------------------|------------------|--------------------|------------------|--------------------|------------------|
