

**STATE BOARD OF COMMUNITY COLLEGES**

**Annual Report on Plan to Improve the Timeliness and Accuracy  
of Data Received from Community Colleges**

In compliance with the “Plan to Improve the Timeliness and Accuracy of Data Received from Community Colleges,” we are submitting an annual report for each report and file listed on the Annual Reporting Plan. The report lists the number of colleges failing to submit the report within the three-day grace period. Also included is a list of delinquent reports and files for each college.
