

STATE BOARD OF COMMUNITY COLLEGES

**Curriculum Program Application/Terminations
As Approved by the System President**

The System President has approved the applications and/or terminations as listed below.

I. Special Curriculum Applications

The following community colleges requested and received approval to offer the curriculum program as listed:

Fayetteville Technical Community College
Infant/Toddler Care Certificate (C55290)

Forsyth Technical Community College
Sustainability Technologies (A40370)

Southwestern Community College
Sustainability Technologies (A40370)

Wayne Community College
Sustainability Technologies (A40370)

II. Terminations

The following community college requested and received approval to terminate the curriculum program as listed:

Craven Community College
Office Administration (A25370)
Rationale: Students have migrated to Medical Office Administration and enrollment is low.

Pitt Community College
Information Systems Security/Security Hardware (A2527B)
Rationale: There is no labor market demand for this degree program in the service area, and enrollment is low.

Wake Technical Community College
High Performance Computing (A25230)
Rationale: Program enrollment suffered primarily due to lack of sufficient student interest in entering the program.
