

STATE BOARD OF COMMUNITY COLLEGES

**Curriculum Program Application/Terminations
As Approved by the System President**

The System President has approved the applications and/or terminations as listed below.

I. Special Curriculum Applications

The following community colleges requested and received approval to offer the curriculum program as listed:

Isothermal Community College
Sustainability Technologies (A40370)

Lenoir Community College
Sustainability Technologies (A40370)

Wake Technical Community College
Global Logistics Technology (A25170)

II. Terminations

The following community colleges requested and received approval to terminate the curriculum program as listed:

Brunswick Community College
Industrial Systems Technology (A50240)
Rationale: The college has had no enrollment in the program due to the loss of industry.
Term End: Fall 2010

Central Carolina Community College
Manufacturing Technology/Quality Assurance (A5032B)
Rationale: The college has had no enrollment in the program due to the loss of industry.
Term End: Summer 2010

Wake Technical Community College
Business Administration/Electronic Commerce (A2512I)
Rationale: Students' needs are being met by introducing a certificate program under the parent program, this resulted in low enrollment.
Term End: Summer 2010

Wilkes Community College
Business Administration/Marketing and Retailing (A2512F)
Rationale: The regional need for graduates declined due to a change in industry needs.
Term End: Fall 2010
