

CURRICULUM STANDARD REVISION

**Davidson County Community College
Associate Degree Nursing (A45110)**

Davidson County Community College is seeking approval to revise the Associate Degree Nursing (A45110) curriculum standard, effective Fall 2010.

The proposed revision follows:

- Move NUR 113 (Family Health Concepts), NUR 114 (Holistic Health Concepts), and NUR 211 (Health Care Concepts) from the required subject area (generic) to the required courses section.
- Change the number of semester hours of credit in the core from “31- 43” to “43-46”.

Rationale of Requesting College: The current curriculum standard does not include enough hours in the minimum major hours required-core for the LPN completion option.

Fifty-five colleges are approved to offer the program. The voting results follow:

39	colleges recommend the revision
1	colleges did not recommend the revision
15	colleges did not respond
