

State Board of Community Colleges
Continuing Education Master Course List

New Course Approvals

The State Board is asked to approve the following courses for placement on the Continuing Education Master Course List.

Request #1 of 1

Creating Success Strategy: Workforce Development – Department of Correction

Training Program/ Course Request(s):

Course ID	Course Title	Recommended Hours	Program Area
DEN-3200	Intro to Denture Fabrication	336	L30-Health Occupations

Rationale:

- Request from Department of Correction to support their Correction Enterprise program.
- This course will introduce students to basic techniques used in the fabrication of dentures (complete and partial), crowns and bridges. Coursework involves classroom training and laboratory activities. Upon completion, students will be knowledgeable of the dental materials, instruments and procedures used in a commercial dental laboratory environment.
