## GUIDELINES FOR ADMINISTERING THE North Carolina COMMUNITY COLLEGE SYSTEM OFFICE SCHOLARSHIP PROGRAMS

**The responsibilities of the community college under the scholarship program shall be to:**

1. Advertise and promote the availability of scholarship programs in its service area.
2. Have an existing scholarship committee select recipients and alternates on the basis of specific scholarship criteria.

**Exceptions: \*A special committee to select the recipients of these scholarships:  
(See criteria)**

3. Submit student information on the *Scholarship Reimbursement Request Form* for each of the **Wells Fargo Scholarship** recipient to the Office of Student Development Services, North Carolina Community College System.

**All colleges must submit reimbursement forms by the required deadline in order to receive funds. You are encouraged to submit forms prior the deadline listed below:**

4. Coordinate publicity efforts for all scholarship announcements.
5. Notify recipient(s) of the scholarship(s) awarded to them.
6. Notify the System Office of scholarship recipients, who did not enroll, withdrew, etc., from the college by the census date of the term or course. The college shall select alternates for each scholarship program using the **Recipient Change** form (page 44) and submit all information (full name, home address, social security number, sex, race, and curriculum program) at the same time the college notifies the System Office that the initial recipient is not enrolled.
7. Notify the System Office when a program has changed or has been eliminated.
8. Return check(s) of recipient(s) who did not enroll, withdrew, etc., as soon as this information is known. Returned checks should be addressed as follows:  
**Vice President - Business & Finance, NC Community College System Office,  
5013 Mail Service Center, Raleigh NC 27699-5013.**

*Note: Adhering to this timetable will allow the System Office and private sponsors to process the changes in time to award all available funds to students.*

**The responsibilities of the System Office under the scholarship programs shall be to:**

1. Compile a master list of the scholarship recipients from the 58 community colleges for each scholarship program.
2. Submit to the Office of Business and Finance each semester a listing of scholarship recipients with a request that checks be issued to recipients and colleges to cover the cost of scholarships.
3. The Office of Business and Finance will disburse the all scholarship payments electronically to college business offices.
4. Submit to each private or corporate sponsor a list of the scholarship recipients each semester.
5. At the end of the spring semester, inform the sponsor of the educational progress of each scholarship recipient. Such report should include students' overall academic progress, and if possible, the education or career plans for each student.
6. Assist each college in administering scholarship programs.

## **NORTH CAROLINA COMMUNITY COLLEGE GRANT, TARGETED ASSISTANCE & LOAN**

### **Policies for the North Carolina Community College Grant and Loan Program and Targeted Financial Assistance**

G.S. 115D-40.1 establishes a need-based financial assistance program for community college students, targets a portion of the funds to students enrolled in high demand/low enrollment programs, and provides tuition assistance to eligible Vocational Rehabilitation students.

The State Board of Community Colleges is required to establish rules and policies for the implementation of the grant and loan program and the targeted financial assistance program. The following are policies for the administration and implementation of the programs.

#### **A. Policies for the North Carolina Community College Grant Program**

1. The State Board of Community Colleges will contract with the North Carolina State Education Assistance Authority (NCSEAA) to administer the financial aid program. Procedures for administering the program will be developed by the NCSEAA and the North Carolina Community College System (NCCCS) Office.
2. To be eligible for need based grants under this program, students must meet the following criteria:
  - (a) be admitted to a curriculum program and be enrolled for at least six credit hours per semester;
  - (b) be a North Carolina resident;
  - (c) have completed and submitted the Free Application for Federal Student Aid (FAFSA);
  - (d) qualify for the grants based upon a valid Expected Family Contribution (EFC) calculation under Federal Methodology and the program's recognized "required educational expenses" for attending a North Carolina community college; and
  - (e) meet all other eligibility requirements for federal Pell Grant.
3. Financial aid officers at the community colleges will certify eligibility of their students. A graduated schedule will be used to provide grants to curriculum students who meet the criteria in #2.

The program's recognized "required educational expenses" for a North Carolina resident will be determined annually based upon tuition and fees for fall and spring terms, the estimated cost of books and supplies, and a small travel allowance. The amount may be adjusted to ensure that all eligible applicants receive need based grants.

4. The State Board will receive an end-of-year report from NCSEAA and will review its rules and policies annually. The NCSEAA will transmit data on community college students applying for and receiving grants to the System Office, which has responsibility for evaluating the program.
5. Consistent with this act, each community college will designate at least one financial aid counselor to inform students of federal financial aid programs, the Hope and Lifetime Learning Tax Credits, the North Carolina Community College Grant Program, and other financial aid options. The NCCCS Office will coordinate a training program for financial aid counselors and will disseminate information about the program to the public.

### **POLICIES for the NORTH CAROLINA COMMUNITY COLLEGE GRANT, LOAN PROGRAMS and TARGETED FINANCIAL ASSISTANCE**

The state funding for the Targeted Assistance (High Demand/Low Enrollment) Program and, less than half-time enrolled certificate, and diploma program funding were consolidated for the FY 2011-12 year at an amount not to exceed \$550,000. The State Board of Community Colleges will approve the amount allocated to each college and will determine this amount through a distribution model based upon the percentage of Pell Grant awards made by the college. Each college will receive annually an award distribution amount. Colleges should award available funding to eligible students in each program until expended.

#### **B. Policies for less than half-time enrolled certificate, diploma and associate degree students**

1. The State Board will allocate funding to colleges to provide need-based assistance to students enrolled less than half time in certificate, diploma or associate degree programs.
2. All Certificate, diploma and associate degree students must complete the Free Application for Federal Student Aid (FAFSA) to be qualified for this need-based financial assistance. Students enrolled in certificate programs that are ineligible for federal student assistance may qualify for these funds. The Student Expected Family Contribution (EFC) must be from 801 through 4000.
3. Qualified students enrolled less than half time shall be eligible for \$30 per semester hour up to a maximum of \$150. Qualified students in programs that are ineligible for federal student assistance shall be eligible for \$30 per semester hour up to a maximum of \$150.
4. Funds allocated to the community colleges will include a base rate plus a percentage as determined by the colleges' Pell funds awarded and listed in the most recent final NCHED A-10 report of the community college system data warehouse.
5. Colleges will report to the System Office after June 30th each year a) The number of students assisted by enrollment status, and b) the amount of expended and unexpended funds.

6. Unrequested funds held at the System Office on November 15th of each year may be reallocated to colleges that demonstrate additional need for less than half-time enrollment funds.

**C. Policies for the Targeted Assistance (High Demand/Low Enrollment) Program**

1. The State Board may allocate a percentage of the funds appropriated for Financial Assistance for Community College Students to students who enroll in low enrollment programs that prepare students for high-demand occupations. The actual amount of funds allocated shall be adjusted annually, based upon availability of funding in the NC Community College Grant Program.
2. The local community colleges shall identify for student funding the credit and noncredit programs that enroll substantially less than program capacity but for which there is a high demand for employees in the service area labor force.
3. The local community colleges shall determine the ratio for distribution of funds to credit and noncredit programs based on local training and employment needs.
4. For students enrolled through the sponsorship of the NC Division of Vocational Rehabilitation (VR), colleges may apply these funds to the cost of the in-state tuition rate less the tuition payment authorized by VR.
5. Certificate, diploma and associate degree students must complete the Free Application for Federal Student Aid (FAFSA) to be eligible for this need based financial assistance.
6. Funds allocated to the community colleges will include a base rate plus a percentage as determined by the colleges' Pell funds awarded and listed in the most recent final NCHED A-10 report of the community college system data warehouse.
7. Funds will be disbursed upon request from the president or chief financial officer of the college to the System Office Vice President for Finance. Funds that are not disbursed by the end of the Fall Semester may be reallocated.
8. Colleges will submit a progress report to the System Office in November of each year that lists the unexpended balance and lists the credit and noncredit programs in which students receiving assistance are enrolled.
9. Colleges will report to the System Office after June 30<sup>th</sup> each year: a) The number of students funded, b) A listing of the credit and noncredit programs where funds were targeted, c). Number of completers, d) Number of continuing students and e) The amount of unexpended funds.
10. Effective July 1, 2002 unrequested funds held at the System Office on November 15<sup>th</sup> of each year may be reallocated to colleges that demonstrate additional need for targeted assistance funds.

#### **D. Policies for the North Carolina Community College Loan Program**

This statute allows the State Board to use some of the need based financial assistance funds for short-term loans. **Beginning 2002-2003, the State Board will not allocate new funds for short-term loans until further notice.**

1. Each college will administer the program according to its policies and procedures as long as they are consistent with the fiscal policies of the State Board.
2. To ensure that students repay the loans, colleges must report students who default on repaying their loans to the North Carolina Department of Revenue and to the System Office.
3. Colleges will report annually to the System Office the number of loans granted, the total amount loaned (which may exceed the amount allocated if loans are repaid and new loans are made), and the balance in the loan fund as of June 30.
4. Effective June 30, 2002, all unexpended funds above a cash balance equivalent of two years (2000-2001 and 2001-2002) will revert to the System Office. These funds will be reallocated to the community college grant program.
5. All interest earnings on community college loan program funds and all short-term loan funds collected by the NC Department of Revenue **must** be applied to and used for the NC Community College Loan Program.

# THE North Carolina COMMUNITY COLLEGES FOUNDATION ENDOWEMENT FOR TEACH PREPARATION

## Eligibility Criteria

### OVERVIEW

The North Carolina GlaxoSmithKline (GSK) Foundation, Inc., The General Assembly of North Carolina and Bank of America have contributed more than \$2 million toward the establishment of an endowment within the North Carolina Community Colleges Foundation to support an expanded role for North Carolina's community colleges in teacher preparation.

The Endowment funds an annual scholarship/loan for prospective teachers enrolled in community college degree programs tied to baccalaureate completion programs on North Carolina community college campuses and innovative projects at community colleges.

**APPLICATION DEADLINES:** Application deadline is Friday, October 3, 2011

### I. GENERAL GUIDELINES

**Eligibility and priorities:** Scholarship/Loans for 2011-2012 will be awarded to a limited number of students enrolled full-time in the first or second year of a community college degree program to prepare students for transfer to a baccalaureate program in elementary or secondary education housed on a community college campus.

Factors in the selection process include but are not limited to demonstrated commitment to and potential success in careers in teaching, academic achievement; substantive community involvement and financial need. Candidates shall be selected without regard to race, sex, color, creed, religious preference, age, national origin or disability.

**For the 2011-2012 academic year, the Foundation will give preference in awarding grants to students who meet one or more of the following qualifications:**

1. Students who are "career changers" who have returned to school from other occupations or from home responsibilities.
2. Students preparing to teach mathematics or science in middle or high school.
3. Students enrolled in community colleges serving low-wealth counties, as designated by the North Carolina Department of Commerce Tier I and II Counties. Those counties are:

- Alamance
- Alleghany
- Alexander
- Anson
- Ashe
- Cumberland
- Currituck
- Dare
- Davie
- Duplin

**Funding, conditions and requirements:** The Foundation will award once per academic year. The total award per recipient will be \$2,500 per semester for up to two consecutive semesters of full-time study (a minimum of 12 hours per semester). Receipt of second semester funds will be contingent upon satisfactory academic performance, with a minimum grade point average of 2.7 on a 4.0 scale and progress toward the community college degree.

Recipients who are unable to meet these obligations will be required to repay the scholarship/loan within ten years of the award. Recipients may re-apply for a second year of funding. Acceptance of the award carries with it the following obligations:

1. Recipient must complete all credentials and begin work as a teacher in a public or charter school in a low-wealth county in North Carolina within six years of the first award.
2. Recipient must teach two full years for each full year of each scholarship/loan received. The first two years of the obligation must be completed within eight years of the award. Any additional obligation must be completed within ten years.
3. Recipient must attend, if invited, a meeting of the Foundation or other appropriate group to report on the impact of the scholarship/loan program.
4. Recipient must sign a promissory note for each award, which will be forgiven when the teaching obligation is fulfilled. The terms of the note will provide for a payback as noted in paragraph above.

## **II. APPLICATION PROCESS**

Applicants must fill out the attached application and submit it by **October 3, 2011** to the North Carolina Community Colleges Foundation Teacher Preparation Scholarships Selection Committee. Applicants must also complete the Free Application for Federal Student Aid (FAFSA). The committee will include representatives of the State Board of Community Colleges, the Foundation Board, NC GSK Foundation, local community colleges and System Office staff.

## NORTH CAROLINA COMMUNITY COLLEGES FOUNDATION SCHOLARSHIP FOR HEALTH CAREERS

### Eligibility Criteria

The North Carolina Community Colleges Foundation Scholarships for Health Careers were created to assist students interested in attaining associate degrees in fields of high demand that will allow them to join the health care profession. The scholarships are available to full time students with a cumulative GPA of 3.0 enrolled in the second year of an Allied Health program of high demand at a community college.

All applicants must have completed the Free Application of Federal Student Aid (FAFSA). The Foundation awards \$1,000 scholarships, \$500 for the fall and spring semesters. Disbursement of the spring awards is contingent upon enrollment and satisfactory academic performance.

The recipients are selected by a committee of NC Community College representatives. The committee considers financial need, merit, and personal commitment to the health care profession when making the selections.

The North Carolina Community Colleges Foundation Scholarships for Health Careers have been created to assist students interested in attaining associate degrees in fields of high demand that will allow them to join the health care profession. Eligible programs are listed below:

- Associate Degree Nursing (A45110)
- Dental Hygiene (A45260)
- Emergency Medical Science (A45340)
- Health Information Technology (A45360)
- Medical Assisting (A45400)
- Medical Laboratory Technology (A45400)
- Pharmacy Technology (A45580)
- Physical Therapist Assistant (2-year program)
- Physical Therapist Assistant (1+1)(A45640)
- Respiratory Therapy (A45720)
- Veterinary Medical Technology (A45780)

Scholarship recipients will be selected by a committee of NC Community College representatives. The committee will consider **financial need**, as demonstrated by the Free Application for Federal Student Assistance (FAFSA), **merit**, as determined by academic performance, and **personal commitment** to the health profession, as determined by the required documentation.

The North Carolina Community Colleges Foundation, a non-profit organization dedicated to advancing the work of the North Carolina Community College System and its 58 institutions, has endowed the scholarships with funds contributed to the Capital Campaign by a coalition of health industry partners.

The head of the college's Allied Health Department will need to complete the application for the recommended student and submit it to the System Office. **Scholarship deadline is Friday, September 9, 2011.**

## WELLS FARGO TECHNICAL SCHOLARSHIP PROGRAM

### Eligibility Criteria

One scholarship per college valued at \$500 each. These scholarships are distributed among the 58 colleges in the community college system, which may be distributed in two payments: fall semester, \$250; and spring semester, \$250.

To qualify as a candidate for these scholarships, a person must meet the following criteria:

1. Is a full-time student enrolled in the second year of a two-year educational/technical program.
2. Demonstrate financial need.
3. Demonstrate scholastic promise.
4. Use the scholarship to pay for tuition, books, and transportation.

The recipients of the scholarships will be selected each year from applicants meeting the above criteria at local colleges.

The college shall establish a special committee to select recipient(s) of scholarships. The committee shall be composed of: the chairman of the board of the college or his/her designee, the senior Wells Fargo office executive in the area serving the college or his/her designee, and a leading citizen of the area to be selected by the other two (2) members of the committee who shall not be affiliated with Wells Fargo or the community college system.

In addition, the president of the college or his designee shall serve as an ex officio member of the committee and shall have the responsibility for providing staff assistance and for recommending scholarship candidates to the committee. If there is not a Wells Fargo Bank in a college service area, the established scholarship committee of that college may be used to select the recipient(s).

## **Power Careers Program**

### **What is the Power Careers Program?**

The Power Careers Program is designed to attract the most promising high school and community college talent, provide students an introduction to the business of power plant operations, support students' completion of targeted two year Associate Degrees and ultimately provide a career opportunity in the utility industry.

### **How does it work?**

The program expands traditional recruiting through intensive education and information sharing of our staffing needs with high school and community college faculty. With awareness of our needs and careers in the utility industry, high school faculty can channel high academic students with interest in to these career paths and broaden our diversity of qualified craft workers.

Secondly, we are working with community and technical colleges to enhance existing programs and offer new curriculums to prepare students for careers in power plant operations. A general outline includes the following:

- Students must be nominated by a member of the school faculty and meet certain academic requirements including a preferred 3.2 GPA to participate in the Power Careers Program
- Students must enroll in selected specialized 2-year associate's degree programs that are relevant to a career in power plant operations
- Nominated students can apply for a Progress Energy scholarship awarded at \$650 per semester for a qualifying student

Selected high school graduates or first year community college students will be eligible for temporary full-time summer employment at a designated power plant.

### **What are the hours of work for the student worker?**

The student can work up to 20 hours per week for 11 weeks during each semester and 40 hours per week during the summer months. Plans are to rotate the student worker through I & C, Mechanic, and Operator positions every six months. Students selected out of high school can work two summers and four semesters.

If a student is selected after completing one year of study at a community college he or she must be able to work one summer and two semesters as a student worker. Students are eligible for a \$650 dollar scholarship each semester if a 3.2 grade point average is maintained and on-the-job evaluations are good.

### **Will all students be offered a job?**

Not all students will be offered a job with Progress Energy as job offers are based on academic performance, on the job evaluations, overall experience and available vacancies at the time of graduation. Experience gained in the program should assist students in finding jobs in related industries if not employed by Progress Energy.

This ongoing selection and training will provide a more versatile, diverse, better-trained and immediately productive entry-level employee. Participation as a Student Worker in the Power Careers Program does not guarantee full employment upon school graduation with a two-year degree. However, because of retirements and growth, the odds are good that the utility industry will have openings available for which the student can apply.

### **Why a Power Careers Program?**

Supporting research shows an aging workforce industry wide, a lessened interest by high school and community college students in the skills trades and limited formal training in craft skills. Current statistics show that due to our aging workforce there will be a significant number of craft jobs to be filled over the next 10 years in the utility industry.

### **What are the qualifications for the program?**

- Students must enroll in one of three 2-year AAS degree curriculums at a community/technical college
- Students must have a demonstrated interest in pursuing a craft career in power plant operations
- Students must be a high school graduate, 18 years of age and have a valid driver's license 3.2 grade point average or higher preferred

### **What is the course of study to be considered for the program?**

The relevant programs that students can take to be eligible for our program include the Electrical-Electronics Technology 2-year AAS degree and the Industrial Systems Technology 2-year AAS degree. Both are offered in most of our community or technical colleges in the Carolina's. A third curriculum, Electric Power Production Technology is now available at Piedmont Community College (Roxboro, NC).

### **What are some of the advantages of the Program?**

Many students today believe the only avenue to success is a four-year college education, but skills work combined with higher education can provide a better choice and a great opportunity for the right individuals.

Working at a power plant is indeed a challenging and rewarding career choice - one that enables a student with a 2-year AAS degree to be highly successful.

**The Golden LEAF Scholars Program – Two-Year Colleges** will provide grants of up to \$750 per semester, including summer term, for curriculum students and up to \$250 per term for occupational education students to assist with tuition, fees, books, supplies, childcare, and transportation expenses. Community colleges choose to participate in the program each semester so eligible students must attend a participating college.

### **Student Eligibility Requirements**

- Eligible students must (1) demonstrate financial need and (2) reside in a rural county that is tobacco dependent and/or economically distressed (Tier 1 or Tier 2 under the 3-Tier designation). A scholarship recipient who resides in an eligible county upon initial award will retain eligibility and will be eligible for renewal awards as long as the student's place of residence is within the state of North Carolina.
- Eligible students may receive an award for each funded term. Financial aid offices will determine their application procedures for receiving awards for subsequent terms. Selected students will be required to disclose all financial aid awards as dictated by college financial aid offices for award packaging. Golden LEAF Scholarships will not displace governmental grants, e.g. Pell grants, for which the student may be eligible (may displace loan funds).
- Curriculum students will be selected based on their financial need as reported in their Free Application for Student Assistance (FAFSA). Degree seeking students must be enrolled as a full-time student in order to receive the maximum scholarship award. Grants for less than full-time will be prorated based on hours of enrollment and pending availability of funds.
- Occupational Education students must demonstrate a need under the federal TRIO formula and be enrolled in a Jobs Now program or a credentialing program of at least 96 hours.
- Should a student become ineligible to use any semester's scholarship award, those funds will be awarded to other qualified students within the same institution.
- Students using funds for transportation purposes will be asked to sign a statement regarding their travel to and from the college.

## **Student Selection Considerations**

Applicants will be selected based on financial need and county of residence. Other selection factors include:

- The effect of the declining economy on his or her family.
  - Owned or employed in farming/agriculture business
  - Owned or employed in traditional industries (such as textile or furniture manufacturing)
  - Household member lost their job or gone from full-time to part-time employment
- Academic performance
- Campus activities and community service

## **Application Process**

- CFNC will post the application on its website with other scholarship applications.
- The System Office will promote and market the scholarship among the local community colleges to help the students understand and recognize the mission of Golden LEAF. A marketing and publicity plan approved by the Foundation will include a public announcement of the Golden LEAF Scholars each semester and the scholarship notification letter sent to each scholar.
- Students will file the Golden LEAF Scholars Program – Two-Year Colleges application for the targeted academic terms. Applications will be filed with the college financial aid offices.
- Timing for the selection process is determined by the award policies and procedures of each college. Financial aid offices will work with Occupational and Continuing Education to determine the awards periods for those students.
- Applicants bear full responsibility for completing the Golden LEAF application prior to each deadline.
- Financial aid offices will determine eligibility and appoint a selection committee comprised of college personnel from various areas of the college to review student applications. The committee will meet at least once during each of the award semesters or on an as-needed basis throughout the year.
- The committee will select qualified students per award semesters/terms by utilizing the selection matrix provided by the System Office.
- Financial aid offices will disburse awards and send media releases regarding the scholarship recipients.
- Financial aid offices will provide a list of selected recipients including name, amount, address, email, and use of funds to NCCCS. Colleges will also submit student social security numbers and waiver forms in a separate mailing.

PEOPLE HELPING PEOPLE

## Two-Year Scholarship Program For NC Community Colleges 2011 Eligibility Criteria

### Recipients must receive a copy of these requirements

The *SECU Foundation* established this **two-year scholarship program** to assist North Carolina Community College System (NCCCS) students in achieving academic success. The members of the *State Employees' Credit Union* take an active role in assisting organizations and communities across North Carolina and truly believe in "People Helping People!"

Recipients are selected by the Scholarship Selection Committee. The Scholarship Selection Committee must use the following criteria to award the SECU Foundation "People Helping People" Scholarships. The criteria have been designed to give the Scholarship Selection Committee maximum flexibility in awarding the scholarship.

There are 116 scholarships valued at up to \$5,000 each. Each North Carolina Community College will receive two (2) scholarships. These scholarships are distributed semi-annually in two payments: fall semester, \$1,250 per student; and spring semester, \$1,250 per student for a maximum of four (4) consecutive semesters. Scholarships are not transferable to another student or another school.

The committee will recognize the individual most deserving of an opportunity to attend college. There is no formal application process. The committee will consider students who best exemplify the membership philosophy of credit unions, "People Helping People", and have demonstrated leadership, excellence of character, integrity, and community involvement. The recipient will be selected without regard to race, sex, color, creed, religious preference, age, national origin or disability.

Preference will be given to students whose parents or guardians and family members are public sector employees who live and work in North Carolina. Information for the scholarship is available through the financial aid office.

1. Is an applicant or full-time student who is a high school graduate or has completed the General Education Development (GED) program, enrolled in an associate degree, diploma or certificate program.
2. Is a U.S. citizen and a resident of North Carolina under NCGS 116-143.1, and is eligible for in-state tuition.

3. Best exemplifies the membership philosophy of credit unions, “People Helping People” and has demonstrated leadership, excellence of character, integrity, and community involvement.
4. Demonstrates financial need using the Free Application for Federal Student Aid (FAFSA). Preference may be given to students with limited financial aid from other programs.
5. Demonstrates scholastic achievement and maintains a 2.5 or higher grade point average on a 4.0 scale or attained a score of 3,000 on the GED test.
6. Uses the scholarship to pay tuition, books, fees, course supplies and transportation.
7. Agrees to continue at the community college where enrolled at the time of the scholarship award for the duration of the scholarship, for four consecutive fall/spring semesters or upon completion of a diploma program. Scholarships are not transferable to another student or another school.
8. Is not a Director, employee or family member of an employee of the *State Employees’ Credit Union* or *SECU Foundation*.

**The Decision of the Scholarship Selection Committee will be final.**

## Two-Year Scholarship Program For NC Community Colleges 2011 Operating Procedures

Commencing with the fall semester, recipients of the scholarships will be selected each year from students meeting the above criteria at local community colleges. The college will use its scholarship selection committee to select eligible recipient(s). The Community College will complete a Student Data Form for each recipient and forward to the *State Employees' Credit Union Foundation* on or before the deadline established each year.

Funds will be forwarded to the community college financial aid office. Funds will be made payable to the local Community College on behalf of the student and applied to the student's account to pay tuition, books, fees, course supplies and transportation. Excess funds may be distributed to the student.

The Community College will also collect fiscal and student progress/completion information and provide a report to the *State Employees' Credit Union Foundation* semi-annually as each recipient is enrolled full-time for the Fall and Spring semesters. Recipients of the scholarships consent to the release of their names and images for publications of the System Office, the local Community College, and/or the *State Employees' Credit Union and its Foundation*.

Each community college will select students who best exemplify the credit union philosophy of "People Helping People". There is no formal application process. Information for the scholarship is available through the financial aid office. The Scholarship Selection Committee will collect required information and complete the Student Data/Media Consent Form (*attached*), and send that information to the SECU Foundation by **August 16, 2011**.

**Scholarships are not transferable to another student or another school.**

A representative(s) of the local *State Employees' Credit Union* will be invited to the College to present a letter of award to the recipients at the College's recognition programs.

## **George W. Ballard Memorial Scholarship**

### **Eligibility Criteria**

One scholarship, granting a maximum of ninety percent (90%) of full-time tuition, excluding books and fees will be provided to eligible students. The funds may be distributed equally in two payments: fall semester and spring semester. Scholarship checks will be issued to the college. The North Carolina Community College System Office will notify and award the designated institution. To qualify as a candidate for the George W. Ballard Memorial Scholarship, a student must meet the following criteria:

1. Be personally eligible for in-state tuition.
2. Be enrolled (or must intend to enroll) in the Air Conditioning, Heating and Refrigeration curriculum at a North Carolina Community College.
3. Submit an essay stating why he/she chose the field of study and how the scholarship will help them financially attain their educational goal.
4. Maintain a cumulative grade point average at or above the level required for graduation.
5. Continue for the duration of the scholarship at the college where he/she was enrolled at the time of the scholarship award.

### **Responsibility of the College**

1. Colleges will submit application(s) to the North Carolina Community College System Office. The individual recipient of the scholarship will be selected by a scholarship committee at the North Carolina Community College System Office from the applications received. This committee will include a member of the Ballard family.
2. Have a press release about the recipient on the campus website and submitted to the local media and provide the press release to the Ballard family.

The candidates for the scholarship shall be selected and the scholarship awarded without regard to race, sex, color, creed, religious preference, age, national origin or disability. The individual recipient of the scholarship will be selected each year from the group of applicants meeting the above criteria. Other factors to be considered in the selection process will include, but will not be limited to: scholastic achievement, participation in extracurricular activities, and a demonstrated interest in working in the field of study.

## Allen Ryan Todd Scholarship

### Eligibility Criteria

Two (2) scholarships valued at \$1660.00. The funds will be distributed in two payments **per recipient**: fall semester \$415, and spring semester \$415. Scholarship checks will be issued to the college in the name of the recipient. To qualify as a recipient for the Allen Ryan Todd Scholarship, an applicant must meet the following criteria:

1. Be a resident of a North Carolina.
2. Be enrolled (or must intend to enroll) in an Associate Degree program in education, health or environmental science at a North Carolina Community College.
3. Be a motivated, capable learner who has a demonstrated economic need.
4. Submit an essay stating why they have chosen the field of study and how the scholarship will help them attain their educational goal.
5. Maintain a grade point average at or above the level required for graduation.
6. Continue enrollment for the duration of the scholarship at the college where he/she was enrolled at the time of the scholarship award.
7. The recipient(s) must show documentation that they have volunteered in the intended field of study to be considered for this scholarship. Documentation must be within the past year.

The recipients of the scholarship will be selected each year by a scholarship committee at the North Carolina Community College System Office. Factors to be considered in the selection process will include, but will not be limited to, scholastic achievement, participation in outside activities, and a demonstrated commitment to the students' chosen disciplines: Education, Health, or Environmental Science.

**Family Statement:** In addition to demonstrating merit and commitment to further your education, you are receiving this scholarship because of Allen Ryan Todd's life and enthusiasm for learning and his family's belief that we are here not just to further our own ends, but also to contribute to a larger purpose. In that spirit, scholarship, service, and a desire to help other committed individuals are crucial elements in the selection of recipients.

We hope recipients will regard this scholarship as an obligation to make the most of their career goals and as an opportunity to help others. We are looking for students who will model scholarship, leadership, and service in their own lives and serve as good models for future recipients of this financial aid. While we cannot always "pay it back," we can "pay it forward." We wish to support those who subscribe to this philosophy.
