Dear Contact Person:

Than you for submitting your proposal to teach the course "Principles and Techniques of Online Instruction." We received 23 proposals. As indicated in the Request for Proposals, funding for ten colleges will be provided. Each college will receive \$2,500 to provide the course.

The selection committee has recommended the following colleges based upon the proposal's feasibility, need, timeliness, and number of faculty served. The selected colleges are:

Bladen CC	Nash CC
Forsyth TCC	Sampson CC
Halifax CC	Tri-County CC
Lenoir CC	Wayne CC
Martin CC	Wilkes CC

An award letter from the Finance Division will be sent to these colleges. As a result of your response and the evaluations for this course, we hope to offer this support next fiscal year to colleges not funded.

Thanks again for your proposal. If you would like additional information, please call Bob Allen at 919.733.7051.

Sincerely,

Delores A. Parker, Vice President
