

**NORTH CAROLINA COMMUNITY COLLEGE SYSTEM**  
*H. Martin Lancaster, President*

April 24, 2008

**RESPONSE DEADLINE: May 9, 2008**

**MEMORANDUM**

**TO:** Select Chief Academic Officers  
Colleges Approved to Offer FWL 252

**FROM:** Delores A. Parker, Vice President  
Academic and Student Services

**SUBJECT:** Requested Revision in *Combined Course Library* Course

The System Office has received a request to revise the following course contained in the *Combined Course Library*:

**FWL 252 Wildlife Maint Techniques**

Attached is a form requesting your approval or disapproval of the proposed changes. ***Please complete and return the form to Elizabeth Spragins by May 9, 2008.*** You may fax your response to (919) 807-7164. Once the responses have been received at the System Office, the request will be presented to the Curriculum Review Committee for action at the fall meeting in September.

Thank you for your prompt attention to this matter. If you have questions, please contact Elizabeth Spragins at (919) 807-7212 or [spragins@nccommunitycolleges.edu](mailto:spragins@nccommunitycolleges.edu).

**College Recommendation  
Course Revision Request  
FWL 252 Wildlife Maint Techniques**

**Current Course With Proposed Revision Marked:**

<b>FWL 252</b>	<del>Wildlife Maint Techniques</del> Wildlife Mgmt Techniques	2	3	3
Prerequisites:	None			
Corequisites:	None			

**Current Description:**

This course introduces a variety of skills important for fish and wildlife technicians. Topics include the use of power tools, machine shop, welding and carpentry equipment; vehicle and tractor maintenance; boating and electrofishing equipment; radiotelemetry; and safety concerns. Upon completion, students should be able to safely operate and maintain a variety of equipment.

**Proposed Description:**

This course covers the theory and application of current wildlife management techniques. Emphasis is placed on field techniques which are most commonly used by resource management agencies today. Upon completion, students should be able to apply various wildlife management techniques and safely operate and maintain a variety of equipment.

**Proposed Changes:**

- Change course title
- Change course description

**Rationale of Requesting College:** Update course title and description to reflect industry standards.
