Final Audit Report for Piedmont Community College
Audit Conducted: Fiscal Year 2013-2014
Records Reviewed: Spring Semester 2012-Spring Semester 2013

AUDIT METHODOLOGY

An education program audit was conducted at Piedmont Community College by the North Carolina Community College System Audit Services staff on the maintenance of records and the reporting of student membership hours as well as certain college procedures for Spring Semester 2012 through Spring Semester 2013.

The major components of the annual program audits to be conducted during the 2013-2014 fiscal year are outlined in Numbered Memorandum CC13-018 Education Program Audit Procedures FY 2013-2014. The scope of the program audit reviews include, but are not limited to, the major components noted in CC13-018. Based on the various audit reviews conducted as outlined in CC13-018, additional information may be requested for clarification or to provide a clearly defined audit trail to ensure compliance with North Carolina General Statute 115D-5 and the State Board of Community Colleges Code (formerly the North Carolina Administrative Code).

Class visits are conducted on a random basis during the period of review but may be conducted at other times if necessary. If concerns are noted which result from these visits, the college is notified. Program reviews/class visits conducted for the current fiscal year to date are listed in Attachment I, Summary of Class Visits Conducted FY 2013-2014.

FINDINGS SUMMARY

Based on the site review, no audit exceptions or areas of concern were identified.

The college personnel responsible for adherence to North Carolina General Statutes and the State Board of Community Colleges Code, as well as other State Board of Community Colleges requirements, and the maintenance of both Curriculum and Continuing Education records should be commended for the accuracy and order of their record keeping systems.

The cooperation of the president and staff during the course of the audit was appreciated.
