The numbers listed above are the same for each Division (I, II & III).

- Division I may grant the number of scholarships listed above.
- Division II may grant the number listed above, but are limited to tuition, fees, course related books and up to $250 in course required supplies.
- Division III may not offer athletic scholarships.

> **NOTE:** See Article VI, Section 1.B.1.a. for NJCAA athletic scholarship division allowances.

** Number of Contests refers to regular season games only, and does not include postseason competition.

*** Numbers in the Letter of Intent Signees/Scholarships column are separate for men and women.

An “Athletic Scholarship” is defined as any financial assistance awarded to the student-athlete, from any source, because of his/her athletic capabilities and is considered to be counter under Article VI, Section 1.A.1. The Letter of Intent/Scholarship Agreement form shall be prescribed by the NJCAA and shall be in effect for one (1) academic year. An “academic year” is defined as August 1st to July 31st of the following year.

Definition of “Administered”: The financial assistance awarded to a student-athlete, regardless of source (e.g. college, booster club, foundation, civic groups, private citizen, etc.) must be officially recorded in and disbursed by the college's office of financial aid and business office.

### Division I Tennis will be limited to a maximum of nine Letters of Intent/Scholarships. Three of the nine scholarships given may be a maximum of tuition, fees, room, board, course related books, up to $250 in course required supplies and transportation costs to and from the college by direct route one time per academic year. Six of the nine scholarships are limited to tuition, fees, course related books and up to $250 in course required supplies.

♦♦ If November 1st falls on a Saturday or Sunday, the preceding Friday will be utilized as the official start date for men's and women's basketball.

♦♦♦ If August 22nd falls on a Friday, Saturday or Sunday, the preceding Thursday will be utilized as the official start date for fall sports including: fall baseball, cross country, football, fall golf, half marathon, fall lacrosse, soccer, fall softball, fall tennis and volleyball.

A signee of a NJCAA Letter of Intent counts towards the overall maximum number of individuals in that sport regardless of the amount of athletic scholarship.
