Student Leadership Development Program

The mission of the program is to enhance leadership quality for community college students and increase their knowledge of soft skills to prepare them for professional and civic responsibilities. As a result of the program, 30 students annually will be trained in skills that will assist them in becoming better campus leaders, community citizens and provide a smoother and successful transition into tomorrow’s workforce.

Program Goals:
• Offer an ardent experiential learning experience in the many facets of leadership.
• Provide students with information and tools through varying workshops.
• Challenge students to gain “real life” skills and demonstrate their knowledge through group and individual projects.
• Require students to share learned competencies/leadership skills with their peers and community through workshops, presentations and other events.

Participants will:
• Demonstrate leadership skills through interactive group activities.
• Demonstrate knowledge of business and personal ethics.
• Exhibit appropriate business etiquette.
• Develop a better understanding of self.
• Exhibit knowledge of proper image and present themselves in an appropriate manner.
• Enhance and develop individual leadership potential.
• Develop motivational and communication skills.
• Demonstrate organizational skills, including planning, time management, and goal setting.
• Display the ability to plan and administer a budget.
• Develop a working knowledge of parliamentary procedures.
