Scholarships to be Awarded (2017-18)	580
Total Value to Students	\$ 435,000.00
Disbursed to Date	\$ 112,500.00
Remaining	\$ 322,500.00

Background

In 2012, the SECU Foundation established the **Continuing Education Scholarship Program** to help remove financial barriers for students seeking to gain new and/or upgrade current job-related skills.

Annually, the SECU Foundation provides a total of 580 scholarships--- 10 (ten) \$750 scholarships to all 58 community colleges.

Student Eligibility

To be considered for this scholarship program, an individual must:

- Be a U.S. citizen and a North Carolina resident.
- Be in one of the following target groups: unemployment insurance claimants, unemployed & underemployed adults, members of the NC National Guard, or military veterans & spouses.
 - Underemployed is defined as individuals earning within 200% of the federal poverty level or below. Preference will be given to students with limited or no access to financial aid from other programs.
- Be enrolled in a short-term training program **96-hours or more** that leads to a state-regulated or industry-recognized credential that is offered through Continuing Education.
- Not be a Director, employee or family member of an employee of the State Employees' Credit Union or SECU Foundation.
- Students should only be awarded one (1) CE SECU Foundation scholarship within a funding year.

Colleges have flexibility in administering the program locally. Scholarships can be awarded in advance as "in-school" assistance where the college seeks reimbursement from the SECU Foundation for completers, or alternatively, scholarships can be administered as a "post-school" completion incentive to students in eligible training programs.
