

NC FAST Quick Ref: The Evidence Dashboard

Find it fast on the Evidence Dashboard page:

Accessible from the Integrated Case (or Income Support Application) where all evidence is stored, the Evidence Dashboard is the page where claimant evidence is managed: added, updated, verified and issues resolved.

The screenshot shows the NC FAST Evidence Dashboard. The top navigation bar includes links for Home, Evidence, Eligibility Checks, Compliance, Participation, Time Limits, Case Details, Administration, and Online Data. The main content area is titled 'Evidence Dashboard' and contains a table of evidence items. The table has columns for Evidence Type, Status, and Actions. Evidence items include Household, Head of Household, Income, Earned Income, Expense, Contributor, Resource, and Liquid Resource. Each item has a colored icon (A, B, C, D, E, F, G) next to it. The dashboard also includes a search bar, a filter dropdown, and a table of evidence items with columns for Evidence Type, Status, and Actions.

A – The Integrated Case number

B – Evidence is information requested or received to determine a claimant's eligibility for benefits. Select a menu option to:

- Check Eligibility
- Add Application, Edit
- New Notes, Referrals, and Sanctions
- New Evidence,
- Apply Changes
- County Transfer

C – The common Context Panel displays, with the Claimant's key personal information

D – The Verifications Folder makes it easy to verify all evidence that requires it

E – All Evidence types display in four category panes: Household, Income, Expense and Resource

F – Colorful Icons next to each evidence type indicate work to be done.

G – Click **All** to expand the pane and view **ALL** Evidence types for this category
