AEFLA Competitive Grants

- The LWDBs are responsible for evaluating the extent to which the eligible applicant's grant activities are aligned with the education and training activities identified in the LWDB's local plan (as identified in Title I, Section 107(d)(11)(A)).

- All Title II adult education applications (i.e., 231, 225, and 243) are required to be aligned with all the WIOA LWDB plans within the adult education region. If more than one LWDB is located within an adult education region, the adult education plan will be reviewed by both LWDBs in the region.

- The evaluation provided by the LWDB will be included as part of the overall review process.
