### 3.0 METHOD OF AWARD AND BID EVALUATION PROCESS

#### 3.1 METHOD OF AWARD

All qualified bids will be evaluated and award or awards made as deemed advantageous or necessary to provide the estimated requirements as to breadth of lines, highest % discount offered off MSRP List, quantity, quality, delivery, service, and/or geographical coverage. It is the State’s intent to have multiple manufacturers represented in each category. In the event that two, or more Vendors offer the same manufacturer's product(s), it is the intent of the state to make an award to the Vendor with the most complete offering, and highest % discount offered off MSRP List for a particular manufacturer's product(s). Products offered must currently be available on the manufacturer's published MSRP. Submission of price schedules developed specifically for this Bid WILL result in disqualification from award consideration.

However, the State reserves the right to award categories separately if it is in the State's best interest. State reserves the right to reject any bid on the basis of function, compatibility with specified requirements as well as cost, make separate awards to different Vendors for one or more categories, to not award one or more categories or to cancel this
The status of a Vendor's e-Procurement Services account(s) that is in arrears by 91 days or more at the time of bid opening shall be considered a relevant factor in determining whether to award a Contract under this IFB.

3.2 CONFIDENTIALITY AND PROHIBITED COMMUNICATIONS DURING EVALUATION

During the evaluation period—from the date bids are opened through the date the contract is awarded—each Vendor submitting a bid (including its representatives, sub-contractors and/or suppliers) is prohibited from having any communications with any person inside or outside the using agency, issuing agency, other government agency office, or body (including the purchaser named above, department secretary, agency head, members of the general assembly and/or governor's office), or private entity, if the communication refers to the content of Vendor's bid or qualifications, the contents of another Vendor's bid, another Vendor's qualifications or ability to perform the contract, and/or the transmittal of any other communication of information that could be reasonably considered to have the effect of directly or indirectly influencing the evaluation of bids and/or the award of the contract. A Vendor not in compliance with this provision shall be disqualified from contract award, unless it is determined in the State's discretion that the communication was harmless, that it was made without intent to influence and that the best interest of the state would not be served by the disqualification. A Vendor's bid may be disqualified if its sub-contractor and supplier engage in any of the foregoing communications during the time that the procurement is active (i.e., the issuance date of the procurement to the date of contract award). Only those discussions, communications or transmittals of information authorized or initiated by the issuing agency for this IFB or general inquiries directed to the purchaser regarding requirements of the IFB (prior to bid submission) or the status of the contract award (after submission) are excepted from this provision.

3.3 BID EVALUATION PROCESS

a. Bids are requested for the items as specified. The State reserves the right to reject any bid on the basis of fit, form and function as well as cost. All information furnished on this bid may be used as a factor in determining the award of this contract.

b. At that date and time specified as the bid opening, the package containing the bids from each responding firm will be opened publicly and the name of the Vendor and the price(s) bid announced.

c. The State shall review each bid received in response to this IFB to confirm it meets the specifications and requirements of the IFB. The State reserves the right to waive any minor informality or technicality in bids received.

d. For all bids that pass the initial review process, the State will review and assess the Vendors' pricing as described in the IFB. The State may request additional formal responses or submissions from any or all Vendors for the purpose of clarification or to amplify the materials presented in any part of the bid. Vendors are cautioned, however, that the State is not required to request clarification, and often does not. Therefore, all bids should be complete and reflect the most favorable terms available from the Vendor. Prices bid cannot be altered or modified as part of a clarification. Negotiations and/or BAFOs, if conducted/utilized, will occur as part of this step.

e. Bids will be evaluated, based on the award criteria identified in Section 3.1 METHOD OF AWARD.

The State reserves the right to reject all original bids, negotiate, and/or request one or more of the Vendors submitting bids to submit best and final offers (BAFOs), prepared in collaboration with the State after the initial responses to the IFB have been evaluated. This right extends to the State’s ability to conduct a reverse auction as part of the negotiation process, if it so chooses.

If a Vendor selected for award has an E-Procurement Services Account(s) that is in arrears by 91 days or more at the time of bid opening the E-Procurement Services Account Status shall be considered a relevant factor in determining whether to approve the award of a Contract under this IFB.
Vendors are cautioned that this is an invitation for bids, not a request or an offer to contract, and the State reserves the unqualified right to reject any and all offers at any time if such rejection is deemed to be in the best interest of the State.

**NOTE:** During the evaluation period and prior to award, all information concerning the bid and evaluation is confidential, and possession of the bids and accompanying information is limited to personnel of the issuing agency and any third parties involved in this procurement process, and to the committee responsible for participating in the evaluation. Any attempt on behalf of a Vendor to gain such confidential information, or to influence the evaluation process (e.g., contact anyone involved in the evaluation, criticize another Vendor, offer any benefit or information not contained in the bid) in any way is a violation of North Carolina purchasing law and regulations and shall constitute sufficient grounds for disqualification of Vendor's offer from further evaluation or consideration in the discretion of the State.

### 3.4 PERFORMANCE OUTSIDE THE UNITED STATES

Vendor shall complete ATTACHMENT B: LOCATION OF WORKERS UTILIZED BY VENDOR. In addition to any other evaluation criteria identified in this IFB, the State may, for purposes of evaluating proposed or actual contract performance outside of the United States, also consider how that performance may affect the following factors to ensure that any award will be in the best interest of the State:

a. Total cost to the State
b. Level of quality provided by the Vendor
c. Process and performance capability across multiple jurisdictions
d. Protection of the State’s information and intellectual property
e. Availability of pertinent skills
f. Ability to understand the State’s business requirements and internal operational culture
g. Particular risk factors such as the security of the State’s information technology
h. Relations with citizens and employees
i. Contract enforcement jurisdictional issues

### 4.0 REQUIREMENTS

This Section lists the requirements related to this IFB. By submitting a bid, the Vendor agrees to meet all stated requirements in this Section as well as any other specifications, requirements and terms and conditions stated in this IFB. If a Vendor is unclear about a requirement or specification or believes a change to a requirement would allow for the State to receive a better bid, the Vendor is urged and cautioned to submit these items in the form of a question during the question and answer period in accordance with Section 2.5.

### 4.1 PRICING

Bid prices shall be based on a percentage discount off the current manufacturer’s suggested retail price (MSRP) or other manufacturer’s current published price listing (List Price, Suggested Retail Price, etc.) for each category. Any price list other than a manufacturer’s current published price list is unacceptable. A discount should be provided for each category shown in ATTACHMENT C-PRICING SUBMITTAL WORKBOOK where the manufacturer offers a product. If a manufacturer does not offer a product in one or more of the listed categories, those categories may be left blank. A separate discount may be offered for each line item in each category or a single discount may be offered for the entire category.

The State reserves the right to accept or reject all or part of proposed Additional Savings Offers as part of a Vendor’s Total Price Submittal Value. It is at the State’s sole discretion not to assign value to propose Additional Savings Offers which the State cannot quantify or to give only partial value for Additional Savings Offers. Vendors may offer the State additional savings using the Additional Discount Offers within ATTACHMENT C-PRICING SUBMITTAL WORKBOOK.
4.2 ADDITIONAL DISCOUNT OFFERS/REBATES

This component of the Pricing Response is optional but the State encourages Vendors to provide additional financial incentives, if possible, within the scope of this IFB that will benefit the State. These additional incentives could include, but are not limited to additional discounts based on total spend volumes, tier pricing, rebates, additional discounts by manufacture or product type, etc. Additional savings offers shall be in addition to the discounts bid on Discount Off items.

Volume or tier discounts, if offered, shall also be based on the published retail price list. All discounts bid shall remain in effect for the entire contract period and cannot be decreased. However, the discount may be increased, and any such increase shall remain in effect for the remainder of the contract period and any subsequent extensions.

Volume or tier discounts, if offered, shall apply to purchase orders placed for delivery to the same location. Vendor may provide volume or tier discounts to orders that include multiple delivery points from the same agency.

4.3 CONTRACT TERM

The Contract shall be for three (3) years, beginning on the date the Contract is executed by the State (the “Effective Date”). In addition, the State reserves the right to extend a contract term for a period of up to 180 days in 90-day-or-less increments. The awarded Vendor shall begin performance under the contract no later than ten (10) business days after the Effective Date.

4.4 CONTRACT VALUE

The total potential purchases under this Contract could exceed $2.6M during the three-year Contract term.

4.5 ORDER CHANNEL AND PAYMENT METHOD

The State expects the vast majority of orders to be submitted electronically through the State’s E-Procurement System. However, the State recognizes that orders may be placed at times through alternate channels such as by phone, through email, or in person and that buyers may also utilize, at times, a procurement card (State credit card) as a method of payment. Regardless of the order channel or payment method, the State shall receive Contract pricing when purchasing Contract items from the Vendor.

4.6 TRANSPORTATION CHARGES

All goods shall be delivered FOB DESTINATION STATEWIDE with NO additional transportation charges

When an order is placed using a purchase order, the purchase order number shall be shown on all packages and shipping manifests to ensure proper identification and payment of invoices. If an order is placed without using a purchase order, such as via phone, the Buyer’s name shall be show on all packages. A complete packing list shall accompany each shipment. Vendors shall not ship any products until they have received an order.

All such insurance shall meet all laws of the State of North Carolina. Such insurance coverage shall be obtained from companies that are authorized to provide such coverage and that are authorized by the Commissioner of Insurance to do business in North Carolina. The Vendor shall at all times comply with the terms of such insurance policies, and all requirements of the insurer under any such insurance policies, except as they may conflict with existing North Carolina laws or this Contract. The limits of coverage under each insurance policy maintained by the Vendor shall not be interpreted as limiting the Vendor's liability and obligations under the Contract.

16. **GENERAL INDEMNITY:** The Vendor shall hold and save the State, its officers, agents, and employees, harmless from liability of any kind, including all claims and losses accruing or resulting to any other person, firm, or corporation furnishing or supplying work, services, materials, or supplies in connection with the performance of this Contract, and from any and all claims and losses accruing or resulting to any person, firm, or corporation that may be injured or damaged by the Vendor in the performance of this Contract and that are attributable to the negligence or intentionally tortious acts of the Vendor provided that the Vendor is notified in writing within 30 days that the State has knowledge of such claims. The Vendor represents and warrants that it shall make no claim of any kind or nature against the State's agents who are involved in the delivery or processing of Vendor goods to the State. The representation and warranty in the preceding sentence shall survive the termination or expiration of this Contract.

17. **TERMINATION FOR CONVENIENCE:** Following an initial ninety-day period from the date of award, either Party may terminate this Contract for any reason by providing 30 days' notice in writing to the other Party. If the contract is terminated by the State as provided in this section 17, the Vendor shall be paid for all performance completed and accepted by the State, less payment or compensation previously made. If terminated by the Vendor, Vendor shall complete delivery of any orders by the State received by the Vendor at the time notice is received.

18. **ELECTRONIC PROCUREMENT:** (a) Purchasing shall be conducted through the Statewide E-Procurement Service. The State's third party agent shall serve as the Supplier Manager for this E-Procurement Service. The Vendor shall register for the Statewide E-Procurement Service within two (2) business days of notification of award in order to receive an electronic purchase order resulting from award of this contract.

(b) **THE AWARDED BIDDER(S) SHALL PAY A TRANSACTION FEE OF 1.75% (.0175) ON THE TOTAL DOLLAR AMOUNT (EXCLUDING SALES TAXES) OF GOODS INCLUDED ON EACH PURCHASE ORDER ISSUED THROUGH THE STATEWIDE E-PROCUREMENT SERVICE.** This applies to all purchase orders, regardless of the quantity or dollar amount of the purchase order. The transaction fee shall not be stated or included as a separate item on the invoice. There are no additional fees or charges to the Vendor for the services rendered by the Supplier Manager under this contract. Vendor will receive a credit for transaction fees they paid for the purchase of any item(s) if an item(s) is returned through no fault of the Vendor. Transaction fees are non-refundable when an item is rejected and returned, or declined, due to the Vendor's failure to perform or comply with specifications or requirements of the contract.
Bid Number: 201601123
Vendor: Haas Factory Outlet / A Division of Phillips

(c) Vendor or its Authorized Reseller, as applicable, will be invoiced monthly for the State’s transaction fee by the Supplier Manager. The transaction fee shall be based on a) purchase activity for the prior month, or b) purchases for which the supplier invoice has been paid. Unless Supplier Manager receives written notice from the Vendor identifying with specificity any errors in an invoice for the transaction fee within thirty (30) days of the receipt of invoice, such invoice shall be deemed to be correct and Vendor shall have waived its right to later dispute the accuracy and completeness of the invoice. Payment of the transaction fee by the Vendor is due to the account designated by the State within thirty (30) days after receipt of the invoice for the transaction fee. If payment of the transaction fee is not received by the State within this payment period, it shall be considered a material breach of contract. Pursuant to North Carolina General Statute §147-86.23, the Service will charge interest and late payment penalties on past due balances. Interest shall be charged at the rate set by the Secretary of Revenue pursuant to N.C.G.S. §105-241.21 as of the date the balances are past due. The late-payment penalty will be ten percent (10%) of the account receivable. Within thirty (30) days of the receipt of invoice, Vendor may dispute in writing the accuracy of an invoice. No interest shall be charged on disputed and overdue amounts to the extent the State agrees to reduce or adjust the amount in dispute. The Supplier Manager shall provide, whenever reasonably requested by the Vendor in writing (including electronic documents), supporting documentation from the E-Procurement Service that accounts for the amount of the invoice.

(d) The Supplier Manager will capture the order from the State approved user, including the shipping and payment information, and submit the order in accordance with the E-Procurement Service. Subsequently, the Supplier Manager will send those orders to the appropriate Vendor on State Contract. The State or State-approved user, shall be responsible for the solicitation, bids received, evaluation of bids received, award of contract, and the payment for goods delivered.

(e) Vendor agrees at all times to maintain the confidentiality of its user name and password for the Statewide E-Procurement Services. If Vendor is a corporation, partnership or other legal entity, then the Vendor may authorize its employees to use its password. Vendor shall be responsible for all activity and all charges by such employees. Vendor agrees not to permit a third party to use the Statewide E-Procurement Services through its account. If there is a breach of security through the Vendor’s account, Vendor shall immediately change its password and notify the Supplier Manager of the security breach by e-mail. Vendor shall cooperate with the State and the Supplier Manager to mitigate and correct any security breach.

VENDOR IS AND SHALL REMAIN RESPONSIBLE FOR PAYING THE TRANSACTION FEE ON BEHALF OF ANY SUB-CONTRACTOR OR DEALER INVOLVED IN PERFORMANCE UNDER THIS CONTRACT IN THE EVENT THAT SUCH SUB-CONTRACTOR OR DEALER DEFAULTS ON PAYMENT.

19. COMPLIANCE WITH LAWS: Vendor shall comply with all laws, ordinances, codes, rules, regulations, and licensing requirements that are applicable to the conduct of its business and performance in accordance with this contract, including those of federal, state, and local agencies having jurisdiction and/or authority.

20. ENTIRE AGREEMENT: This IFB and any documents incorporated specifically by reference represent the entire agreement between the parties and supersede all prior oral or written statements or agreements. This IFB, any Addenda hereto, and the Vendor’s bid are incorporated herein by reference as though set forth verbatim.

All promises, requirements, terms, conditions, provisions, representations, guarantees, and warranties contained herein shall survive the contract expiration or termination date unless specifically provided otherwise herein, or unless superseded by applicable Federal or State statutes of limitation.

21. AMENDMENTS: This contract may be amended only by written amendments duly executed by the State and the Vendor. The NC Division of Purchase and Contract shall give prior approval to any amendment to a contract awarded through that office.

22. WAIVER: The failure to enforce or the waiver by the State of any right or of breach or default on one occasion or instance shall not constitute the waiver of such right, breach or default on any subsequent occasion or instance.

23. FORCE MAJEURE: Neither party shall be deemed to be in default of its obligations hereunder if and so long as it is prevented from performing such obligations as a result of events beyond its reasonable control, including without limitation, fire, power failures, any act of war, hostile foreign action, nuclear explosion, riot, strikes or failures or refusals to perform under subcontracts, civil insurrection, earthquake, hurricane, tornado, or other catastrophic natural event or act of God.

ATTACHMENT D: DESCRIPTION OF EXECUTIVE ORDER #50 AND CERTIFICATION

NORTH CAROLINA RESIDENT VENDORS TAKE NOTE:

Pursuant to North Carolina General Statute §143-59 and Executive Order No. 50 (issued February 17, 2010, entitled “Enhanced Purchasing Opportunities for North Carolina Businesses”), a North Carolina resident Vendor may receive an opportunity to obtain an award by agreeing to match the final price(s) of the lowest Vendor on a Contract for the purchase of goods, if that lowest price is offered by a non-North Carolina resident Vendor. This opportunity arises when a North Carolina resident Vendor offers a price that is the lowest among all bids by qualified in-State resident Vendors and also is within five percent (5%) or $10,000 (whichever is less) of the non-resident Vendor’s overall lowest price. This price-match opportunity applies to a Contract awarded under this solicitation.

G.S. §143-59(c) (1) defines a “resident Vendor” as a “Vendor that has paid unemployment taxes or income taxes in this State and whose principal place of business is located in this State.” All other Vendors are considered to be non-resident Vendors. G.S. §143-59(c)(3) defines a “principal place of business” as the “principal place from which the trade or business of the Vendor is directed or managed.” This refers to overall operations for the entire business entity, not merely a division or office location.

In order to qualify for this preference, a resident Vendor shall: (1) request the price-match opportunity by marking the appropriate checkbox, below; (2) provide all information requested; and (3) complete and sign the “Resident Vendor’s Certification for Price-Matching Preference under Executive Order #50” (hereinafter the “Certification”) included at the end of this Section. The Certification may not be submitted after the public opening of the bids. By executing the Certification, the Vendor affirms that the information provided is accurate and agrees to provide any additional information or documentation requested by the State to confirm the above certifications and statements within five (5) business days of request (including but not limited to income tax or unemployment tax returns, reports and/or filings (annual and/or quarterly); banking statements or financial/accounting statements reflecting Vendor’s payment of income taxes or unemployment taxes to the State of North Carolina and such other information regarding Vendor’s management or directors of its business or trade of its principal place of business).

Requesting a price-match opportunity below does not require any resident Vendor to match the lowest price in the event a Vendor qualifies for receiving the opportunity.

The State will evaluate the bids in accordance with the award criteria stated in this IFB to determine the lowest Vendor meeting the requirements of the IFB without regard to any Vendor’s residency. If the Vendor with the lowest price is a North Carolina resident Vendor, then no consideration of the price-matching procedure is necessary. If the lowest bid by a Vendor meeting all requirements was submitted by a non-resident Vendor and there are no North Carolina resident Vendors that submitted a price bid that was within 5% or $10,000 of the non-resident Vendor’s price, then none of the North Carolina resident Vendors qualify for the price-matching preference and no review of a resident Vendor’s Certification is required.

If the lowest price bid by a Vendor meeting requirements was submitted by a non-resident Vendor and there are one or more North Carolina resident Vendors that submitted a price bid that was within 5% or $10,000 of the non-resident Vendor’s price, then the State will determine if the Vendor has requested a price-matching opportunity, review the Certification(s) of the resident Vendor(s) to determine whether the resident Vendors have properly executed the Certification and ensure that the information and documentation provided in or with the Certification or otherwise submitted to the State supports the resident Vendor(s) qualification to exercise the price-match opportunity. The State may seek clarification of the Certification and/or information in a resident Vendor’s Certification and request additional information and documentation, if needed. If any resident Vendor’s award is challenged in a bid protest, based on the accuracy of that Vendor’s claim of qualification for the price-matching, the resident Vendor shall provide additional information and/or documents to the State within five (5) business days of receiving a request from the State for such information and/or documentation, or its award shall be subject to cancellation.

Pursuant to G.S. §132-1.1, §105-259(b) and Paragraph 12 of the Instructions to Vendors, the State is prohibited from making public disclosure of the Vendor’s tax information and documents submitted (subject to those exceptions set out in G.S. §105-259(b)) and the State shall preserve the confidentiality of the tax information and/or documents received.
in response to a request for clarification or to resolve a bid protest challenging a resident Vendor’s qualification for the price-matching preference in accordance with applicable law. In order to further preserve the confidentiality of any Vendor’s tax information and documentation provided to the State, the Vendor shall comply with Paragraph 14 of the Instructions to Vendors and mark “CONFIDENTIAL” at the top and bottom of each page of such information and documentation. After review of all relevant material, the State shall include in its recommendation for award a finding that the North Carolina resident Vendor(s) is or is not qualified for the price-matching opportunity.

If more than one North Carolina resident Vendor qualifies for the price-matching opportunity, then the State will prioritize the qualified North Carolina resident Vendors according to the prices bid, from lowest to highest, so that the qualified North Carolina resident Vendor that submitted the lowest bid receives the first opportunity to match the bid price of the lowest non-resident Vendor that met all IFB requirements. If the lowest qualified North Carolina resident Vendor that met all IFB requirements declines to accept Contract award, then the Contract will be offered to the next lowest qualified North Carolina resident Vendor meeting all IFB requirements and continue in this manner until either a qualified North Carolina resident Vendor accepts the Contract award or the award is made to a non-resident Vendor if no qualified North Carolina resident Vendor agrees to match the lowest price bid.

If two resident Vendors qualify for the price-matching opportunity, and both score the same on price, then the State may: (1) consider the information provided in those Vendors’ Certifications or publicly available information to determine with which Vendor the Contract award would have a greater impact of stimulating or sustaining the North Carolina economy and/or is most likely to create or save jobs (e.g., if the choice is between a resident broker and a resident manufacturer of the subject goods, then the Contract will be awarded to the resident manufacturer); (2) consider the unemployment rates in the municipality or county where each Vendor’s principal place of business is located; (3) seek clarification from the Vendors to ascertain the impact on their respective businesses if offered the award of the Contract; or (4) utilize any other approved method of deciding between equal bids.

If a resident Vendor requests and qualifies for the price-matching preference, the resident Vendor will be notified of its opportunity to agree to match the lowest price and receive Contract award, and it will have two (2) business days from the date and time of such notification to indicate its response, either agreeing or declining to match the lowest responsible non-resident Vendor’s price and receive the Contract award based on that price match. If the IFB requests bids on alternative configurations or components, then the price match shall apply to the actual alternative chosen by the State.

If at any time during or after the procurement process (including but not limited to clarifications and resolution of bid protests) the State determines that: any certifications or information in the Certification is false, substantially inaccurate, materially misleading or that the Vendor failed to provide, within the specified time period, any additional information requested, then the State may:

1. Cancel any award, Contract and/or purchase order that was awarded to such Vendor based on the price-matching preference, and the resident Vendor shall be liable for all costs incurred as a result of the cancellation, including any increased costs the State may incur as a result of awarding the Contract to another Vendor;
2. Bar the Vendor from all price-matching opportunities in future State procurements for a period of time not to exceed three (3) years, exclusive of any debarment period;
3. Take action against the Vendor under the False Claims Act, G.S. §1-605 through §1-617, inclusive, for submitting a false Certification for the price-matching preference under Executive Order #50 (including but not limited to treble damages and civil penalties); and/or
4. Debar Vendor from doing business with the State of North Carolina for a period of time not to exceed three years, as determined by the State. Any such debarment period shall not begin to run until all damages, costs and penalties as may be assessed against such Vendor have been fully paid.

ALL VENDORS (BOTH RESIDENT AND NONRESIDENT) SHOULD ANSWER QUESTION #1. A RESIDENT VENDOR REQUESTING A PRICE-MATCHING OPPORTUNITY MUST ANSWER BOTH QUESTIONS:
