2A SBCCC 400.2 – “Admission Requirements”

The State Board of Community Colleges at the recommendation of the State Board of Proprietary Schools amended this rule to permit enrollment of students who can more easily provide proof of community college or university graduation than high school transcripts. It will also assist in enrollment of students who completed training that is equivalent to high school education in the United States. The rule will be effective February 1, 2016. The new rule will be published on the NC Community College System's website, www.nccommunitycolleges.edu, under "State Board Code." For your convenience, a copy of the rule is attached to this memorandum.
