

STATE BOARD OF COMMUNITY COLLEGES

Curriculum Program Terminations As Approved by the System President

**Information:** The System President has approved the terminations as listed below:

**Background:** 1D SBCCC 400.95(b) states the following: *The college shall terminate a curriculum program when there has been no enrollment for two years; a college may request an one-year extension of a curriculum program upon justification of the potential for employment opportunities and student enrollment.*

On December 5, 2016, the System Office sent a letter to fifty-one colleges to notify them of programs that had not demonstrated enrollment in over two years. The letter requested that they either send in a program termination request or provide justification and a request for an extension. The terminations below resulted from this request.

**Alamance Community College**

Esthetics Instructor (Certificate) (C55270)

**Rationale:** No enrollment for over two years: There has been no demand for this program locally.

Termination Semester: **Summer 2017**

**Wilson Community College**

Automotive Light-Duty Diesel Technology (Diploma) (D60430)

**Rationale:** No enrollment for over two years: The program was never implemented due to lack of employer demand for graduates and no student enrollment. Students are able to obtain broad diesel competencies within the college's Automotive Systems Technology (A60160) program.

Termination Semester: **Summer 2017**
