STATE BOARD OF COMMUNITY COLLEGES

Conversion of the Associate in Fine Arts (A10200) and Associate in Fine Arts Premajor (A1020A, A1020C and A1020D) Programs into Discipline Specific Associate in Fine Art Degree Programs

Request:
The State Board is asked to:

- Archive the following Associate in Fine Arts (AFA) curriculum standards:
  - Associate in Fine Arts (A10200)
  - Associate in Fine Arts:Art (A1020A) Premajor
  - Associate in Fine Arts:Drama (A1020C) Premajor
  - Associate in Fine Arts:Music and Music Education (A1020D) Premajor

- Approve the following discipline specific AFA degree curriculum standards:
  - Associate in Fine Arts in Visual Arts (A10600)
  - Associate in Fine Arts in Music (A10700)
  - Associate in Fine Arts in Theatre (A10800)

- Allow colleges currently approved for the the Associate in Fine Arts (A10200) program to receive approval to offer selected AFA curriculum degree program(s) (A10600, A10700 and/or A10800) through letter of request to the North Carolina Community College System Office.

Please note that colleges must currently have approval to offer the Associate in Fine Arts (A10200) program in order to begin offering the current AFA Premajor programs.

Rationale for Conversions:
- The discipline specific AFA degree programs better align with senior institution transfer pathways.
- The revised curriculum standards assist in bringing the AFA programs into alignment with the other college transfer programs (The Associate in Arts and Associate in Science curriculum standards which were revised in 2014 and the Associate in Engineering degree which was approved in 2015).
- The increased utilization of the Universal General Education Transfer Component (UGETC) courses in the Visual Arts and Theatre AFA degrees better serve students by making the transfer process easier.
- The program title revisions will further assist in clarifying the content of the program and provide more consistency with transfer pathways.

Please note: The proposed AFA in Music does not list specific Universal General Education Transfer courses (UGETC). Faculty teams will be providing further refinement of this curriculum standard during the upcoming year.
Vote Results:

Colleges approved to offer the program: 35
Colleges in favor of the revision: 33
Colleges not in favor of the revision: 2

One college was opposed due to the lack of change from the current AFA Music pre-major, (specifically the music theory and applied music courses) to the proposed AFA in Music degree.

The other college was opposed to the change because they currently offer the AFA with combined Visual Arts, Music and Theatre components versus a specific focus.
