to be Offered to Captive or Co-opted Groups
(Procedures and Accountability Report)**

(Associate in Applied Science, Diploma, and Certificate Curriculum Programs)

Implementation October 1, 2013

Revised by the State Board of Community Colleges on 09/19/2008; 08/16/13.

North Carolina Community College System Curriculum Program Application Procedures and Accountability Report for Existing Program Titles to be Offered to Captive or Co-opted Groups

This application should be used for parent and/or concentration programs to be offered to a captive or co-opted group.

The State Board of Community Colleges has established rules to guide the approval of certificate, diploma and associate in applied science programs as listed in 1D SBCCC 400.6 (a)(1)

“Captive or co-opted groups” are defined in 1D SBCCC 700.98 (a) of State Board of Community Colleges Code “as inmates in a correctional facility; clients of sheltered workshops, domiciliary care facilities, nursing facilities, mental retardation centers; substance abuse rehabilitation centers; and in-patients of psychiatric hospitals.”

The following General Statutes (G.S.) and State Board of Community Colleges Code (SBCCC) apply when offering curriculum programming to these groups (note that some are specific to inmates only):

G.S. 115-D (c): No course of instruction shall be offered by any community college at State expense or partial State expense to any captive or co-opted group of students, as defined by the State Board of Community Colleges, without prior approval of the State Board of Community Colleges.

All course offerings approved for State prison inmates must be tied to clearly identified job skills, transition needs, or both. Approval by the State Board of Community Colleges shall be presumed to constitute approval of both the course and the group served by that institution. The State Board of Community Colleges may delegate to the President the power to make an initial approval, with final approval to be made by the State Board of Community Colleges.

A course taught without such approval will not yield any full-time equivalent students, as defined by the State Board of Community Colleges.

G.S. 115-D (c1): Community colleges shall report full-time equivalent (FTE) student hours for correction education programs on the basis of contact hours rather than student membership hours.

No community college shall operate a multi-entry/multi-exit class or program in a prison facility, except for a literacy class or program.

The State Board shall work with the Division of Adult Correction of the Department of Public Safety on offering classes and programs that match the average length of stay of an inmate in a prison facility.

1D SBCCC 700.98 (a): A college shall obtain State Board approval prior to providing instruction to students who are classified captive or co-opted. Captive or co-opted groups

of students are defined as inmates in a correctional facility; clients of sheltered workshops, domiciliary care facilities, nursing facilities, mental retardation centers; substance abuse rehabilitation centers; and in-patients of psychiatric hospitals. Approval by the State Board of Community Colleges shall constitute approval of the curriculum program or occupational extension course(s) and the group to be served by the college.

1D SBCCC 700.98 (b): Instruction to captive or co-opted groups may be approved when the State Board determines that the proposed instruction for the group is not a function of the requesting agency, and the instruction is within the purpose of the community college.

1D SBCCC 700.98 (c): Instruction to captive or co-opted groups may be approved in the form of curriculum programs or courses and occupational extension courses. State Board of Community Colleges (SBCC) approved curricula for Captive or co-opted groups shall include changes in programs of study and SBCC approved occupational extension course modifications.

Physical education or work experience may not be a part of a curriculum program in a correctional setting.

1D SBCCC 700.98 (d): Policies governing student enrollment in curriculum programs or courses and occupational extension courses shall be consistent with general college policies.

In addition, the State Board has adopted the attached Curriculum Program Application Procedures to guide community colleges in preparing and submitting applications for curriculum program approval for programs to be offered to captive or co-opted groups.

Submission of Program Application:

Colleges seeking captive/co-opted curriculum program approval should submit an application using the attached procedures. All items must be completed and documented as indicated before the program can be considered for approval by the State Board.

Colleges are encouraged to contact the appropriate program coordinator at the System Office for assistance in the completion of this application as it relates to program content. (See Section 7 of the *Curriculum Procedures Reference Manual* for a list of Program Coordinators).

If this is an application for programming for a state prison facility, the college should also contact the System Office Director of Public Safety Training Programs as soon as planning discussions begin to ensure appropriate coordination with the Educational Services office at the Division of Adult Correction.

Two (2) copies of the application with original signatures should be submitted to:

captive@nccomcommunitycolleges.edu

Senior Vice President/Chief Academic Officer

Academic and Student Services

North Carolina Community College System

Deadlines:

Program applications may be submitted at any time. Completed applications received by the first working day of the month will be processed within 90 days. The approval process for applications which are received after the first working day of the month, are incomplete, or require further analysis may exceed this 90-day schedule.

Applications for programs for state prison facilities will be routed by the System Office to the Division of Adult Correction for approval prior to submission to the State Board for action.

Applications that are complete, require no further analysis or documentation, and (*if applicable*) are supported by the Division of Adult Correction will be presented to the State Board for Action. Since the State Board normally does not meet in June or December, application processing schedules which include these months may also exceed 90 days.

The *Three Year Accountability Report* must be submitted three years after program implementation.
