

PARKING FOR VISITORS AT CFCC

Guests to the College may utilize visitor parking (VP) spaces in Cape Fear Community College Lots L, A and B, as they are available. Please stop at the guard house and the parking guard on duty will direct you to those spaces accordingly. Should the guard be unavailable, please proceed to a space labeled as visitor parking (VP).

CASAS Training is in the Union Station Building at the corner of Front St. and Red Cross St. on the 5th floor in room U-508 (Daniels Hall).

Try the L lot first for Visitor Parking. Located at the corner of 2nd St. and Walnut St. There is a guard house with parking guard on duty where you enter on 2nd St. If full, the guard will direct you to Lots A and B.

If all of the visitor parking (VP) spaces are full, paid public parking is available on the street at meters or in the City/County parking decks.

On-street meter rates are currently \$1.25/hour, Monday through Saturday 9 am to 6:30 pm. It is not necessary to feed the meters if you have a State issued Handicap (ADA) placard or license plate.

The New Hanover County (Library) Parking Deck is located at 201 Chestnut Street. The first hour is free with \$1/hour thereafter and an \$8 daily maximum.
