

Computer Integrated Machining Technology (Example)

Entry
Points

Case Management, Academic and Support Services Provided Throughout the Program

CNC Machining Associate Degree

- Quality Control Technician
- CAD Draftsman
- **\$38,958**

Computer Integrated Machining
Technology Diploma

- CNC Lathe Programmer
- CNC Milling Machine Programmer
- CAM Programmer
- **\$34,625**

Additional Certificates: CNC and
CAM Certificate
Manual and CNC Milling
Certificate

- Milling Machine Operator
- CNC Lathe Operator
- CNC Milling Machine Operator
- Lathe Operator
- **\$25,958**

Basic Skills Plus
Computer Integrated Machining
Technology
Manual & CNC Turning Certificate
Computer Literacy
Integrated Basic Skills Instruction

- Machine Operator
- CNC Operator
- **\$24,252**

ABE/ESL Basic Skills Instruction
Contextualized to Computer
Integrated Machining
