

## **Performance Review Part II Training**

Part II of the Performance Review training will be offered via three regional trainings (*you only need to attend one*). Please bring your data manager to this training. For Part II of the Performance Review, we will have a Panel Presentation followed with a working session to develop a data workflow using a standard template. If you have any questions regarding this training, please feel free to contact Trudie Hughes [hughest@ncccommunitycolleges.edu](mailto:hughest@ncccommunitycolleges.edu) .
